Summary
This item is submitted for approval of a Memorandum of Understanding (MOU) between the Orange County Fire Authority and the Orange County Professional Firefighters Association (OCPFA), with a term of September 1, 2016, through August 31, 2020. This proposed MOU accomplishes the Board's goal to achieve employee’s payment of 100% of their employee retirement contributions.

Prior Board/Committee Action
Not Applicable.

RECOMMENDED ACTION(S)
Approve the proposed Memorandum of Understanding between the Orange County Fire Authority and the Orange County Professional Firefighters Association for a term of September 1, 2016, to August 31, 2020.

Impact to Cities/County
Increases to OCFA salary costs typically result in increases to cash contract city charges. The cost of the proposed MOU represents an average annual increase of approximately 1.65% for four years to OCFA’s expenditure budget and to cash contract city charges.

Fiscal Impact
The impact of the proposed MOU is the equivalent-cost of a 10.44% salary increase over four years. The average annual increase is $5.4 million per year for four years.

Background
The Meyers-Milias-Brown Act provides for recognized employee organizations to meet with employers and represent public employees through the meet and confer process in matters relating to hours, wages and working conditions. Once agreement is reached, both parties jointly prepare a written MOU, which is presented to the governing body for approval.

Our negotiations with OCPFA for this successor MOU began in July 2015, with the OCFA Board-appointed professional labor negotiator, Peter Brown/Liebert Cassidy Whitmore, serving as the Chief Negotiator. We are pleased to report that a Tentative Agreement (TA) was reached with OCPFA on July 26, 2016. Formal ratification of the MOU by OCPFA members was completed on August 23, 2016.
A summary of the significant deal points in the proposed MOU include:

- **Term:** September 1, 2016, to August 31, 2020

- **Employee Payment of Retirement Contributions:** Effective in September 2016, 2017, 2018, and 2019, employees will pay an additional 3.50%, 3.49%, 2.00%, and 0.54% in employee retirement contributions, respectively. These annual changes will increase the employee retirement contributions from the current level of 11% to the maximum employee contribution of 20.53% (based on age of entry).

- **Wages:** Effective in September 2016, 2017, 2018, and 2019, salary increases will be provided in the amounts of 4.50%, 4.20%, 3.20% and 1.25% respectively.

- **FLSA Pay Practice:** FLSA pay practices will revert to the former rules that were in place prior to implementation of the 2014-2015 MOU, including reverting from the current 14-day work period to the former 24-day work period and inclusion of paid sick/vacation leave as hours worked for purposes of earning overtime.

- **Specialty Pay:** Personnel serving in staff assignments will receive a 10% Staff Incentive Pay, or if the employee was receiving Paramedic Pay before moving into the staff assignment, the employee will continue receiving Paramedic Pay in lieu of Staff Incentive Pay. Hand Crew Firefighters who maintain an active State of California EMT certification will receive 5% EMT specialty pay.

- **Merit Increases:** The eligibility date for newly hired firefighters to receive their first merit increase is deferred from 6 months to 12 months.

- **MOU Language Changes:** Numerous language changes were made throughout the MOU including migration of side letter agreements into the body of the MOU, amendment to Article XXII (Modification and Waiver), references to specified Standard Operating Procedures, and addition of a new provision relating to use of tobacco products.

ARTICLE I

WORK HOURS, OVERTIME, AND PREMIUM PAY

Section 1. Work Hours

A. The Work Period And Hours Regularly Assigned Per Calendar Week And Pay Period

1. Employees Assigned to the 56-Hour Average Workweek

Employees assigned to the 56-hour average workweek shall be based on a three (3) platoon schedule. The work period for purposes of calculating overtime shall be a fourteen (14) day FLSA work period in accordance with Section 7(k) of the FLSA. Pursuant to the FLSA, hours worked (which the parties have defined below in subsection B to include paid leave hours) which exceed one hundred and six (106) hours in the (14) day work period shall be premium overtime paid in accordance with FLSA. The FLSA work period shall run concurrently with the pay period. Effective January 20, 2017, the work period for purposes of calculating overtime shall be a twenty four (24) day FLSA work period in accordance with Section 7(k) of the FLSA. Pursuant to the FLSA, hours worked (which the parties have defined below in subsection B to include paid leave hours) which exceed one hundred and eighty two (182) hours in the (24) day work period shall be premium overtime paid in accordance with FLSA.

2. Employees Not Assigned to the 56-Hour Average Workweek

The workweek for employees who are not assigned to the average of 56-hour workweek shall be 40 hours per week. The work period for such employees shall be fourteen (14) calendar days in accordance with Section 7(k) of the FLSA – (fire protection for all except law enforcement for investigators). These employees shall be entitled to two (2) regularly scheduled consecutive calendar days off and shall receive premium overtime for hours worked in excess of eighty (80) hours in each fourteen (14) day pay period. The FLSA work period shall run concurrently with the pay period.

The Authority agrees to give these employees a seven (7) calendar day advance notice of a shift change, whenever practicable. In addition, these employees shall not be permitted to work more than sixteen (16) consecutive staff hours except in an emergency situation.

a. 4/10 work schedule for employees assigned to staff positions

i. Based on operational needs the authority shall determine which staff positions are eligible to work a 4/10 work schedule.

ii. If a position is eligible to work a 4/10 schedule, the employee occupying the position will be given the option to select the 4/10 work schedule or remain on his/her current work schedule.
iii. The Authority has the right to terminate an employee’s 4/10 work schedule if the Authority determines the employee is not performing to the expected standards and a different work schedule is warranted.

B. Hours Worked – All Employees

For purposes of determining if an employee is entitled to premium overtime, vacation and sick leave hours taken shall not count as hours worked for the purposes of calculating premium overtime. All other paid hours shall count as time worked for the purposes of calculating premium overtime.

Notwithstanding, the previous sentence, effective January 21, 2015 whenever an employee is force hired to work overtime, those hours will be paid at the rate of one and one half the employee’s regular rate of pay as defined by the FLSA regardless of whether the employees’ work hours exceed the FLSA overtime threshold.

C. 48/96 Work Schedule For Employees Assigned to the Average 56- Hour Workweek

Effective Wednesday January 21, 2015 at 0800, all employees assigned to the average of a 56- hour workweek shall be assigned to the 48/96 work schedule. The 48/96 work schedule will have each platoon (A, B and C) scheduled to work two (2) twenty-four hour shifts followed by four (4) twenty-four hour shifts off. According to the already published platoon schedule, January 20, 2015 is scheduled as a “B” shift day and January 21, 2015 is scheduled as a “C” shift day. To implement the 48/96 work schedule, January 21, 2015, the first day of the new 48/96 work schedule, will become a “B” shift day. For each day thereafter, the platoon schedule will be as follows: CCAABB. Thus, January 22 and 23, 2015 will be “C” shifts, January 24 and 25, 2015 will be “A” shifts and January 26 and 27 will be “B” shifts. The result will be that for the transitional 16 day FLSA work period (the parties have agreed that the 16 day FLSA work period will go into effect on the same day as the 48/96 work period – two of the three platoons will be scheduled to work five shifts and one of the platoons will be scheduled to work six shifts. Effective February 6, 2015, the fourteen (14) day FLSA work period will go into effect. Two of the three platoons will be scheduled to work five shifts and one of the platoons will be scheduled to work four shifts. The only exception to this will be that the parties agree that December 24 and 25th will not have the same shift. For 2015, since “C” shift would fall on both December 24th and 25th, the “B” shift scheduled for December 23rd will be a “C” shift, and the “C” shift scheduled for December 24th will be a “B” shift. If 48/96 continues in the future, if the shift schedule for a particular calendar year shows that the same shift would be scheduled to work on December 24 and 25th, the Association will advise the Authority how it wants the shifts changed. The change will be accommodated as long as shifts being changed are in the same FLSA work period, do not cause one shift to work three shifts in a row and do not go into the next calendar year.

The 48/96 work schedule will be considered to be on a trial period for eighteen months. The Association agrees that it will notify the Authority no later than February 22, 2016 as to whether it wants the 48/96 work schedule
to continue past the eighteen months. If the Association wants the 48/96 work schedule to continue, it will be the work schedule into the future unless and until either or both parties wish to change the work schedule through collective bargaining. If the Association notifies the Authority by February 22, 2016 that it no longer wants the 48/96 work schedule, the parties shall determine a mutually acceptable date to return to the work schedule that was in effect on January 20, 2015 prior to the effective date of the 48/96 work schedule. In the event that the parties cannot agree on a mutually acceptable date to transition back to the work schedule that was in effect on January 20, 2015, the Authority shall implement the change back to the work schedule that was in effect on January 20, 2015 in the first work period beginning after July 21, 2016. If the Association does not notify the Authority by 5:00 p.m. on February 22, 2016, as to whether it wants the 48/96 to continue, the parties agree that the 48/96 work schedule will continue and not end on the first work period beginning after July 21, 2016.

D. Except as otherwise provided, no employee shall be employed in one or more positions, full-time or part-time, more than the total number of hours for the employee’s work period as defined in Section 1.A., of this Article, except on overtime authorized by the department.

E. The normal start of the workday for employees assigned to shift work shall be 0800 hours. Early relief is authorized with supervisor’s approval as provided by 29 CFR section 553.225.

D.F. The normal start of the workday for employees assigned to staff shall be established by the Department Head; however, there shall be no split shifts for staff employees.

Section 2. Rest Periods, Sleep Periods, Cleanup Time, and Meal Periods

A. The Fire Chief shall have the authority to establish rules and regulations concerning sleep periods, rest periods, cleanup time, and meal periods. There will be a morning, lunch, and afternoon break at the discretion of the Fire Captain.

1. While not mandatory, as a best practice and general guideline, the normal non-emergency workday will be between 0800 hours and 1700 hours inclusive of breaks and lunch.

2. Employees will be allowed to conduct physical fitness training (PT) as further described in AM 101.12 (Physical Fitness Program Procedures). Furthermore, AM 101.12 will not be changed during the term of this MOU without mutual agreement.

A.B. Personnel assigned to strike teams or overhead assignments who travel eight (8) consecutive hours or more during their return to the County of Orange, shall be released from duty upon the disbanding of their assigned strike team or assignment. Employees whose regular duty shift is scheduled on the day of the return shall be released from duty for the remainder of the shift and will receive full compensation for the remainder of that shift.
Section 3. **Treatment of Salary and Benefits for Employees Assigned to a Shift Duty Week**

A. An employee assigned to a shift duty week shall be compensated at the equivalent of an average **fifty-six (56)-hour** duty week for all salary and benefits described within this MOU. Computations for salary, vacation, sick leave, premium pay, overtime pay, retirement benefits, and specialty pay shall be based upon the average weekly hours of fifty-six (56) hours per week.

Employees assigned the average of 56-hour workweek shall be compensated for each fourteen (14) day [FLSA work period](#) (24 day FLSA work period effective January 20, 2017) for hours worked (as defined in this MOU in Article I, Section 1(B)). Regardless of whether a 14 day or 24 day FLSA work period is in effect, employees will be paid every 14 days, based on each 14 day pay period. Computations for salary, vacation, sick leave, premium pay, overtime, retirement benefits, and specialty pay shall be based upon each fourteen day work period/pay period.

B. Effective the first full pay period after ratification of the OCFA Board of Directors, employees assigned to a 40 hour workweek that are required to work overtime due to an emergency incident (except as noted below in B.1) shall continue to be paid at the staff rate of pay provided the employee is performing their "regularly assigned" staff duties at the emergency incident.

40-hour workweek employees who are assigned to a paramedic van/squad; fire engine or truck; or fire line suppression duties during these emergency incidents shall be paid at the suppression rate beginning at the conclusion of their scheduled end time for the day the emergency occurs and for all regularly assigned hours during the emergency while performing paramedic van/squad; fire engine or truck; or fire line suppression duties. Employees working an average 56-hour workweek will continue to be paid at the suppression rate regardless of duties assigned during the emergency.

Employees assigned to a 40-hour workweek (except Hand Crew Firefighters and Heavy Fire Equipment Operators) that are requested by a Federal, State or local agency to support an out of county incident will be paid at the suppression rate of pay portal to portal.

1. “Regularly assigned” staff personnel shall include positions that continue to perform tasks that are included as part of their current day to day responsibilities on a full or part time basis. It is not intended to include all Incident Command System (ICS) positions, supporting the Emergency Operations Center/Department Operations Center (EOC/DOC) or previously working in one of the staff positions. Examples would include, but not limited to, Training Officers, EMS positions, Administrative Captains assigned to Division Chiefs, EOC Administrative Captain, Public Information Officer, Fire Investigators, Heavy Fire Equipment Operators, Hand Crew Firefighters, Hand Crew Supervisors, and Superintendent that continue to perform their regular duties.
During major emergencies, all activities related to the emergency are considered to be suppression assignments for both shift employees and forty (40) hour workweek employees, except that duties performed by forty (40) hour workweek personnel during their regularly assigned hours will be compensated at the employee's regular hourly rate.

C. During a major emergency, Section 3.A. and 3.B., of this Article, shall not apply to employees in the class of Heavy Fire Equipment Operator or to employees who regularly perform the duties of Fire Crew Supervisor, Public Information Officer, or Investigator—provided such employees are performing their regular duties during such major emergency.

Section 4. Overtime

A. Notification of Employees—If, in the judgment of the Authority, work beyond the normal workday, workweek, or work period is required, the Authority will notify any employee who may be asked or required to perform such overtime of the apparent need for such overtime whenever practicable prior to when the overtime is expected to begin.

B. Distribution of Overtime: The procedures covering the distribution of overtime to employees in the Firefighter Unit are thoroughly and satisfactorily covered in the OCFA Standard Operating Procedures (SOP HR.03.10 Staffing Procedures).

C. Overtime Cap

An overtime cap shall be implemented effective April 1, 2015. The procedures covering the overtime cap are thoroughly and satisfactorily covered in the OCFA Standard Operating Procedures (SOP HR.03.10 Staffing Procedures revised effective November 1, 2014).

D. Payment for Overtime

1. Overtime for staff employees assigned to a forty (40) hour workweek shall be compensated at one and one-half (1.5) times the regular rate of pay. Shift employees assigned to a fifty-six (56) hour average duty week shall be compensated at the fifty-six (56) hour average duty week equivalent and based on the employee's regular rate of pay as determined by Section 1.A.1. and 1.A.2., of this Article. Effective February 6, 2015, shift employees assigned to the average 56 hour workweek will receive overtime for hours worked in excess of the overtime threshold of 106 hours including leave time taken other than vacation and sick leave in their fourteen (14) day FLSA work period.

2. For shift personnel, fringe benefits, merit eligibility dates, and probation periods shall be calculated on the basis of a fifty-six (56) hour average duty week. Overtime outside the basic fifty-six (56) hour average duty week shall not be used to earn fringe benefits or to count toward probation or merit increase periods.

3. Unless waived by the parties, employees' work schedules shall not be changed when the purpose of such change is to avoid overtime.
4. When a shift employee is assigned on his/her scheduled day off to work a non-shift overtime assignment in a work environment where he/she is not assigned to participate in emergency responses, the overtime rate for that non-shift overtime assignment shall be as provided for forty (40) hour workweek employees in Section 4.D.1., of this Article. Such overtime shall not be used to earn fringe benefits or to count toward probation or merit increase periods.

5. A shift employee working an overtime assignment as described in Section 4.D.4., of this Article, who is directed to respond to an major emergency shall be paid for overtime related to the emergency in accordance with Section 3.A.B. or Section 3.C., of this Article whichever is applicable.

6. The Authority agrees to pay all backfill and overtime pay in accordance with the FLSA except for Force Hire, held on duty, call back and hold over which shall be paid at one and one half (1.5) times the employee’s regular rate of pay. All overtime earned during the work period shall be paid by the pay day following the end of the work period. Notwithstanding the previous sentence, overtime hours worked during a 14 day pay period which are included in the 24 day FLSA work period will be paid on the pay day following the pay period when the work is performed.

E. Dual Reporting for Overtime

1. Dual reporting situations are not subject to the call-back provisions of Section 6.B., of this Article.

2. When two (2) employees report for the same shift, fifty-six (56) hour average duty week, assignment due to an Authority error, one (1) shall be assigned to work. The unassigned employee shall be released from work and compensated for his/her work/travel time to a maximum of two (2) hours at the overtime rate for shift employees as provided herein.

3. If two (2) employees report for the same shift, fifty-six (56) hour average duty week, assignment for reasons other than Authority error, one (1) shall be assigned to work; the unassigned employee shall not be compensated.

Section 5 Overtime Distribution

1. The parties agree that the procedures covering the distribution of overtime to employees in the Unit are thoroughly and satisfactorily covered in the OCFA Standard Operating Procedures HR.03.10 (Staffing Procedures)

2. Any changes, revisions or modifications to the OCFA Standard Operating Procedures HR.03.10 will necessitate a meet and confer and mutual agreement between the OCFA and OCPFA. Disputes regarding the misinterpretation or misapplication of the provisions contained in SOP HR.03.10 shall be subject to the grievance procedure of this MOU.
Section 6. On-Call Pay and Call-Back Pay

A. On-Call Pay

1. When an employee is assigned on-call duty by the department, the employee shall be informed in writing, in advance whenever practicable, of the dates and inclusive hours of such assignment; the employee shall be compensated at one-fourth (1/4) of his/her base rate of pay rate for such assignment. When called backed, employees shall not receive on-call pay during the hours called back.

2. On-call duty requires the employee so assigned to (1) be reachable by telephone or other communications device, (2) be able to report to work in a reasonable time, and (3) refrain from activities which might impair his/her ability to perform assigned duties.

3. When a shift or staff employee has been placed on-call on his/her scheduled day off because he/she is required to be a witness in a matter directly related to his/her assigned duties as an Authority employee or as an employee for a fire agency that was transitioned into the Authority and such an employee is not a party to the litigation, the on-call compensation provided herein shall not be subject to the provisions of Section 6.A., of this Article.

B. Call-Back Pay

1. When a shift employee who works a fifty-six (56) hour average duty week returns to work because of an Authority request made after the employee has completed his/her normal work shift and left the work station, the employee shall be credited with five and six-tenths (5.6) hours work plus any hours of work in excess of five and six-tenths (5.6) hours in which the employee continuously engaged in work for which he/she was called back.

2. When a staff employee who works a forty (40) hour workweek returns to work because of an Authority request made after the employee has completed his/her normal work shift and left the work station, the employee shall be credited with four (4) hours work plus any hours of work in excess of four (4) hours in which the employee is continuously engaged in work for which he/she was called back.

3. When a fifty-six (56) hour duty week employee returns to work as provided above, and such return occurs two (2) hours or less before the established starting time of the employee's next shift, he/she shall be compensated for two and eight-tenths (2.8) hours.

4. When a forty (40) hour workweek employee returns to work as provided above, and such return occurs two (2) hours or less before the established starting time of the employee's next shift, he/she shall be compensated for two (2) hours.
5. Call-back for employees assigned to a forty (40) hour workweek shall be paid at one and one-half (1.5) times the base rate of pay, except that call-back to perform suppression activities shall be paid at the employee's base rate of pay as determined in accordance with Section 6.B., of this Article.

6. Call-back shall be paid at the employee's base rate of pay.

Section 7 – Employee Work Schedule While Attending Training

1. A shift employee who attends approved training within Orange County or within reasonable travel distance of Orange County on his/her normal duty day shall receive his/her normal pay. Such employee is expected to return to his/her duty station after class or arrange for time off, in advance, through normal procedure. The OCFA will back-fill for the employee for the period of training plus reasonable travel time. The OCFA will make a reasonable effort to release an employee who wishes to use his/her own compensatory time off for the remainder of the 24-hour shift rather than return to duty.

2. A shift employee who attends approved training within Orange County or within reasonable travel distance of Orange County on his/her assigned off-duty day shall be compensated for actual classroom time per this MOU.

3. A staff employee attending approved training within Orange County or within reasonable travel distance of Orange County shall be considered on-duty and will be compensated pursuant to the applicable MOU provisions for any time worked in excess of his/her normal duty hours. Decisions regarding backfilling such staff positions shall be at the discretion of the OCFA per this MOU.

4. When a shift employee is attending approved training that is not within Orange County or within a reasonable travel distance of Orange County for a period of time consisting of four (4) or less consecutive calendar days, the employee’s normally assigned shift schedule shall remain the same. The employee shall be compensated for the actual class time plus reasonable travel time on his/her assigned off-duty day per this MOU.

5. When a shift employee is attending approved training that is not within Orange County or within a reasonable travel distance of Orange County for a period of time consisting of five (5) or more consecutive calendar days, the employee will be reassigned to a staff workweek for the duration of the training. There shall be no loss of hours or compensation from the employee's normal salary due to the change from a shift schedule to a staff workweek over the Fair Labor Standards Act work period.

6. An employee shall be reimbursed for mileage for training per the OCFA's mileage reimbursement policy when an OCFA vehicle is not available. When applicable, the cost of air travel to the same location will determine the amount to be reimbursed instead of mileage at the discretion of the OCFA.
7. The OCFA agrees to allow an employee reasonable travel time to attend training.

Section 8 – Employee Work Schedule While Instructing or Attending a Fire Captain (FC), Fire Apparatus Engineer (FAE) or Firefighter (FF) Academy Hosted by OCFA

1. If the FC, FAE or FF academy is going to occur for more than one (1) week and employees will be working a 4/10 schedule, the instructors and attendees (except Firefighter Trainees) will receive the three (3) days immediately prior to the academy as days off.

2. If the academy is going to occur for more than one (1) week and employees will be working a 9/80 schedule, the instructors and attendees (except Firefighter Trainees) will receive the two (2) days immediately prior to the academy as days off.

3. Employees will not be compensated for the three (3) or two (2) days off prior to the academy or be required to use leave balances.

4. Instructing or attending the academy will not impact the triad (three (3) pay periods) balancing, but will not guarantee FLSA or overtime.

5. OCFA will authorize backfill for any regularly scheduled shift that occurs during the three (3) or two (2) days off prior to the academy.

6. Upon completion of the academy, the participants and attendees will immediately return to their assigned shift.
ARTICLE II

PAY PRACTICES

Section 1. Compensation for Employees

A. Employees shall receive compensation at the hourly rate for the range and step assigned to the class in which they are employed per Appendix C.

Section 2. Pay for New Employees

A. The Human Resources Director may authorize the appointment of employees at any of the first seven steps of the salary range. Such appointment may be made only when, at the discretion of the Human Resources Director, there is a direct and measurable benefit to the Authority for such appointment.

B. The Fire Chief may authorize the appointment of employees at a step higher than Step 7 of the range. Such appointment may be made only when, at the discretion of the Fire Chief, there is a direct and measurable benefit to the Authority for such appointment.

Section 3. Merit Increase Within Range

A. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the employee’s supervisor with the approval of the next level supervisor.

B. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date, which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class. The granting of an Official Leave of Absence, other than a Military Leave, the imposition of a suspension, or the granting of a light duty assignment, as a result of a non-occupational injury, shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave, suspension, or light duty assignment as a result of a non-occupational injury. The extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence, suspensions, or light duty assignments as a result of a non-occupational injury.

A new or reemployed employee hired after ratification of this (2016) MOU in a regular or limited-term position shall have a merit increase eligibility date, which shall be the first day of the pay period following the completion of the first fifty-two (52) weeks of service within that class. The granting of an Official Leave of Absence (other than a Military Leave), the imposition of a suspension, or the granting of a light duty assignment as a result of a non-occupational injury shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave, suspension, or light duty assignment as a result of a non-occupational injury.
extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence, suspensions, or light duty assignments as a result of a non-occupational injury.

C. An employee in a regular or limited-term position who has been assigned to a fifty-six (56) hour average duty week and who has not completed one thousand four hundred fifty-six (1,456) paid hours exclusive of overtime by his/her first merit increase eligibility date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand four hundred fifty-six (1,456) paid hours exclusive of overtime. Likewise, an employee in a regular shift position or limited-term shift position who has not completed two thousand nine hundred twelve (2,912) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his/her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand nine hundred twelve (2,912) paid hours exclusive of overtime. Where an employee’s record consists of a combination of full-time and limited term service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.

A new employee (hired after ratification of this (2016) MOU) in a regular or limited-term position who has been assigned to a fifty-six (56) hour average duty week and who has not completed two thousand nine hundred twelve (2,912) paid hours exclusive of overtime by his/her first merit increase eligibility date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of two thousand nine hundred twelve (2,912) paid hours exclusive of overtime. Likewise, an employee in a regular shift position or limited-term shift position who has not completed two thousand nine hundred twelve (2,912) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his/her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand nine hundred twelve (2,912) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and limited term service, both periods of service shall apply towards merit increase eligibility with the service being applied proportionately to the appropriate full-time interval.

D. An employee in a regular or limited-term position who has been assigned to a forty (40) hour workweek and who has not completed one thousand forty (1,040) paid hours exclusive of overtime by his/her first merit increase eligibility date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1,040) paid hours exclusive of overtime. Likewise, an employee in a regular staff position or limited-term staff position who has not completed two thousand eighty (2,080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his/her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2,080) paid hours exclusive of overtime. Where an employee’s record consists of a combination of full-time and limited term
service, both periods of service shall apply towards merit increase eligibility with the limited term service being applied proportionately to the appropriate full-time interval.

A new employee (hired after ratification of this (2016) MOU) in a regular or limited-term position who has been assigned to a forty (40) hour workweek and who has not completed two thousand eighty (2080) paid hours exclusive of overtime by his/her first merit increase eligibility date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Likewise, an employee in a regular staff position or limited-term staff position who has not completed two thousand eighty (2,080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his/her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2,080) paid hours exclusive of overtime. Where an employee’s record consists of a combination of full-time and limited term service, both periods of service shall apply towards merit increase eligibility with the limited term service being applied proportionately to the appropriate full-time interval.

E. An employee on light duty assignment due to an occupational injury, or an employee on leave pursuant to California Labor Code Section 4850 will have his/her merit review extended by the same number of calendar days that the employee is on light duty assignment or 4850 leave. Any merit increase received by the employee at the completion of the extended review period will be made retroactive to the original merit review date.

F. Merit increases may be granted for one (1), two (2), three (3), and four (4) steps within the salary range based upon the employee’s performance. Standard performance shall earn a two (2) step increase.

G. The determination as to whether or not to grant merit increases beyond Step 9—and if granted, in what amounts—shall be within the discretion of the immediate supervisor with the approval of the next level supervisor and shall be based on merit.

H. If, in the Authority’s judgment, the employee’s performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the Authority shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit increase eligibility date. The employee may be reevaluated at any time. However, in any event, the employee shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee’s merit increase eligibility date shall not be changed by such deferral.

I. Should an employee's merit increase eligibility date be overlooked through an error and—upon discovery of the error—the employee is granted a merit increase, the employee shall be compensated for the additional salary the
employee would have received dating from the employee's merit increase eligibility date.

H. There shall be no changes to the employee performance evaluations and/or the merit process without mutual agreement during the term of this MOU. However, performance evaluations are a mandatory subject of bargaining and therefore can be modified following the meet and confer process for a successor MOU.

Section 4. Salary on Promotion

A. Except as modified by Section 4.B. and Section 4.C., of this Article, a regular, limited-term, or probationary employee promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a five and one half percent (5.5%) increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established, which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class.

B. Any employee who is promoted to a class from which he/she was previously reduced without a salary decrease shall be placed at a salary step no higher than the step the employee would have achieved if the employee had remained in the class to which he/she is promoted and had demonstrated at least standard performance. The employee's merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

C. An employee who is promoted to a Firefighter Unit class from which the employee was previously reduced with a salary decrease in order to become a Paramedic Firefighter shall be placed at a salary step in accordance with Section 4.C.1. or Section 4.C.2., of this Article, whichever is higher:

1. Placement at the same salary step the employee previously held in the class to which he/she is being promoted

2. Receipt of a pay increase closest to a five and one half percent (5.5%) pay increase on the range over the salary received prior to the promotion, not to exceed the top step of the range

D. A new merit increase eligibility date shall be established, which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class.

Section 5. Salary on Reassignment

A. When a regular, limited-term, or probationary employee is reassigned to a class with the same recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status he/she would have achieved if the employee had been in the new class throughout the period of such service in the old class.
B. When a regular, limited-term, or probationary employee is reassigned to a class with a higher recruiting step, such employee’s salary shall be advanced the number of steps difference between recruiting steps, and the employee shall retain his/her former merit increase eligibility date, except as provided in Section 5.E., of this Article. Such employee shall have the same probation status he/she would have achieved if the employee had been in the new class throughout the period of such service in the old class.

C. When a regular or limited-term regular employee is reassigned to a class with a lower recruiting step, such employee’s salary and merit increase eligibility date shall not change. Such employee shall have the same probation status he/she would have achieved if the employee had been in the new class throughout the period of such service in the old class.

D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status, and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

E. When a regular, limited-term, or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps, his/her salary and merit increase eligibility date shall be determined by the Human Resources Director.

Section 6. Salary on Reduction

A. 1. When a probationary employee, an employee who has been on temporary promotion, or a regular employee who was promoted to a limited-term position at the direction of the Fire Chief is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3., of this Article, or the employee's salary and merit increase eligibility date may be determined by the Human Resources Director.

2. When a promotional probationary employee, an employee who has been on a temporary promotion, or a regular employee who was promoted to a limited-term position at the direction of the Fire Chief is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he/she would have achieved if the employee had remained in the lower class throughout the period of his/her service in the higher class.

B. When a regular or limited-term regular employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee’s salary shall be reduced to a step on the salary range that would be the closest amount to a two (2) step reduction, or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class unless the employee thereby is placed at the recruiting step of the new salary range. In which case, the employee's merit increase eligibility date

Page 25 of 159
shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.

C. When an employee is reduced to a position in a lower class for or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new salary range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his/her merit increase eligibility date.

D. When a regular, limited-term, or probationary employee is reduced as the result of a position reclassification, the applicable salary shall be determined as follows:

1. If the salary of the employee is the same or less than the maximum of the new class, the salary and merit increase eligibility date of the employee shall not change.

2. If the salary of the employee is greater than the maximum of the new class, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If—at the end of the specified period indicated below—the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

3. When an employee on Y-Rate accepts a voluntary reduction, his/her salary shall be reduced by the amount of the difference between the
maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

Section 7. **Salary on Reclassification**

A. The salary of a regular, limited-term, or probationary employee whose position is reclassified shall be determined as follows:

1. If the position is reclassified to a class with the same salary range, the employee's salary, merit increase eligibility date, and probationary status remain the same as in the former class.

2. If the recruiting step is higher, the employee's salary shall be advanced the number of steps difference between recruiting steps.

4. A probationary or probationary limited-term employee reclassified to a class with a lower recruiting step shall have the same salary, step status, probation status, and merit increase eligibility date as he/she would have achieved if the employee had been in the new class throughout the period of such service in the old class.

B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Section 4.A. or 4.B., of this Article.

C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Section 6.D., of this Article.

Section 8. **Salary on Reemployment**

A. A person who is reemployed in the Firefighter Unit may, upon approval of the Human Resources Director, be appointed at a step higher than the recruiting step, but no higher than the step the person received at the time of separation unless appointment is at an advanced step or rate pursuant to Section 2.B., of this Article.

B. A former employee on paid retirement may be reemployed for not more than one hundred twenty (120) working days or nine hundred sixty (960) hours, whichever is greater, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range.

Section 9. **Changes in Salary Allocation**

A. If a class is reassigned to a higher salary range, each employee in the class shall be compensated at the same step in the new salary range as the employee was receiving in the range to which the class was previously assigned. However, if a class is reassigned to a lower salary range, the salary of each employee shall be determined in accordance with Section 6.D., of this Article.
EMPLOYEE PROVISIONS

Section 1. Selection Procedures

A. The Authority shall meet with the Association and consider its concerns prior to the establishment of selection procedures for the positions of Fire Apparatus Engineer and Fire Captain.

B. Prior to initiating the testing process, the Authority shall designate an expiration date for the eligibility list. The eligibility list may be extended by mutual agreement of the parties.

C. Provided a sufficient number of members of the Firefighter Unit apply for and receive a passing score to fill existing vacant positions, all promotions to compete for or be appointed to the positions of Fire Apparatus Engineer and Fire Captain shall be limited to qualified non-probationary Firefighter Unit members. All promotions to the position of Fire Apparatus Engineer and Fire Captain shall be based on merit, which will be identified by a numerical score. The numerical score will be the final score the candidate receives after the testing process is completed.

D. The testing process for the positions of Fire Apparatus Engineer and Fire Captain shall consist of—but not be limited to—a written examination, practical examination, assessment center, simulator, and/or verification of a required certification. Minimum experience requirements for promotions shall be:

1. Fire Apparatus Engineer: Two (2) years’ experience as a full-time career Firefighter with the Fire Authority or a fire agency that the OCFA assumed fire protection responsibility for, who has completed probation as a Firefighter at the time of application.

2. Fire Captain: Five (5) years’ experience as a full-time career Firefighter or Fire Apparatus Engineer with the Fire Authority or a fire agency that the OCFA assumed fire protection responsibility for, or a combination of the two, who has completed probation as a Firefighter at the time of application.

   a. In addition to the years’ experience requirement above, an applicant seeking promotion to Fire Captain must meet basic proficiency skills by any one of the following:

      i. The applicant is a current Fire Apparatus Engineer with the OCFA;

      i.ii. The applicant is on a current Fire Apparatus Engineer promotional list;
ii.iii. The applicant has completed the formalized OCFA Fire Apparatus Engineer Development Series (Class 1-4):

   a. Individuals who meet the minimum qualifications to participate in the Fire Captain promotional process will be authorized to receive compensation for off-duty attendance at these classes.

iii.iv. The applicant has completed the California Fire Service Training & Education System (CFSTES) Driver Operator 1A and 1B:

   a. In lieu of CFSTES Driver Operator 1A and 1B, the applicant may complete the new series of Fire Apparatus Driver/Operator classes, which includes the following: Fire Apparatus Driver/Operator Pump, Fire Apparatus Driver/Operator Aerial, Fire Apparatus, Driver/Operator Tillered, Fire Apparatus Driver/Operator Wildland and Fire Apparatus, Driver/Operator Water Tender.

3. Service years for years for transitioned employees from consolidated agencies (i.e., Santa Ana) count towards years of experience.

E. Based on the numerical scoring system, those candidates receiving a passing score will be considered for filling vacancies as follows:

1. After the final scores are calculated, candidates will be grouped and ranked by final scores in the order of highest score to lowest. Each score group will be comprised of candidates who achieved an identical final score in the testing process. The Authority will notify each candidate of his/her group within the scoring hierarchy.

2. Upon receipt of a request to fill a vacancy, the Human Resources Director will certify the top five (5) score groups for the purpose of selecting a qualified candidate. At any time during the consideration process, should the request to fill vacancies exceed one (1), the Human Resource Director will add—for selection consideration—an additional score group for each additional request. This procedure is illustrated by the following example.

   Example: If a request is made to fill one (1) vacancy, the five (5) highest score groups will be reviewed for the purpose of selecting a qualified candidate to fill the one (1) vacancy. Should the request be made for two (2) vacancies, the six (6) highest score groups will be reviewed for the purpose of selecting qualified candidates to fill the two (2) vacancies. Should the request be made for three (3) vacancies, the seven (7) highest score groups will be reviewed for the purpose of selecting qualified candidates to fill the three (3) vacancies.

3. As each score group is depleted, the next highest score group, which has not yet been considered, will be added to the candidate pool for selection consideration. This will be done to ensure the proper number of score
groups is maintained for selection consideration, as identified in Section 1.E.2., of this Article.

4. The above process will continue until the eligibility list expires or there remains less than five (5) score groups.

F. Appeals regarding candidate placement on the eligibility list are outside the scope of the Grievance Procedures. Disputes regarding candidate placement on the eligibility list will be processed through the OCFA Selection Rules and Appeals Process.

Section 2. Time Off for Selection Procedures

A. With approval of the Fire Chief, an employee shall be entitled to necessary time off with pay to participate in tests of fitness, examinations, and interviews required by the Human Resources Director during working hours for the purpose of determining eligibility for movement to another class in the Authority service.

Section 3. Probation

A. New Probation

1. Full-Time Employee

A new or reemployed employee—who has been out of Authority service for more than two (2) years in a regular or limited-term position—shall be placed on new probation for fifty-two (52) weeks from the date of appointment ending with the first day of the pay period following completion of said period.

2. Part-Time Shift Employee (Fifty-six ([56]) hour average duty week)

A new or reemployed employee—who has been out of Authority service for more than two (2) years in a part-time regular shift position or limited-term shift position—shall be placed on new probation for two thousand nine hundred twelve (2,912) paid hours exclusive of overtime, ending with the first day of the pay period following completion of said period.

3. Part-Time Staff Employee (40-hour workweek)

A new or reemployed employee—who has been out of Authority service for more than two (2) years in a part-time regular staff position or limited-term staff position—shall be placed on new probation for two thousand eighty (2,080) paid hours exclusive of overtime, ending with the first day of the pay period following completion of said period.

4. A regular or reemployed employee—in a regular or limited-term position in the class of Firefighter Trainee—shall be placed on probation for a period equal to the completion of the Firefighter Basic Training Recruit Academy.
5. It is desirable for all probationary firefighters to obtain the Firefighter Endorsement on their driver's license during their probationary period. Upon completion of the DMV exam, the Authority will compensate the employee for time required to take the DMV exam, not-to-exceed two hours.

B. Promotional Probation

1. A full-time or part-time employee who is promoted shall be placed on promotional probation except as provided in Section 3.B.2. and 3.B.4., of this Article. All promotional probation shall end with the first day of the pay period following completion of the promotional probation period.

a. A full-time employee shall be placed on promotional probation for fifty-two (52) weeks from the date of promotion.

b. A part-time shift employee assigned to a fifty-six (56) hour average duty week shall be placed on promotional probation for two thousand nine hundred twelve (2,912) paid hours exclusive of overtime. A part-time staff employee assigned to a forty (40) hour workweek shall be placed on promotional probation for two thousand eighty (2,080) paid hours exclusive of overtime.

c. When an Authority employee who is employed in a classification not covered by the provisions of this MOU is appointed to the Firefighter Unit classification of Firefighter Trainee, such employee shall be placed on promotional probation for a period equal to the completion of the Firefighter Basic Training Recruit Academy.

d. When a full-time employee promotes from Firefighter Trainee to another class covered by the provisions of this Memorandum of Understanding, such employee shall be placed on promotional probation for fifty-two (52) weeks from the date of promotion. A part-time shift employee (assigned to a fifty-six [56] hour average duty week) promoting from Firefighter Trainee to another classification covered by the provisions of this Memorandum of Understanding, shall be placed on promotional probation for two thousand nine hundred twelve (2,912) paid hours exclusive of overtime. A part-time staff employee (assigned to a forty [40] hour workweek) promoting from Firefighter Trainee to another class covered by the provisions of this Memorandum of Understanding, shall be placed on promotional probation for two thousand eighty (2,080) paid hours exclusive of overtime.

2. When a regular or limited-term employee is promoted as a result of the employee's position being reclassified to a higher classification and the classification from which the employee is promoted is subsequently deleted or abolished, the incumbent employee shall not serve a promotional probation period.

3. When an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the Fire Chief is reduced to a class the employee formerly occupied, the
employee shall serve the remainder of any uncompleted probationary period in that classification.

4. Notwithstanding any other provision of this MOU, when an employee who has been on temporary promotion to a Firefighter Unit classification is promoted to that same classification without returning to his/her former class, the time served in the temporary promotion shall be credited towards the promotional probation period.

5. It is agreed that there will be no changes to the promotional probation process during the term of this MOU without mutual agreement.

C. Failure of Probation

1. New Probation
   a. An employee on new probation may be released from service at any time without right of appeal or hearing except where an employee alleges his/her release was the result of discrimination by the Authority because of a protected status as defined by the existing Fair Employment and Housing Act or other applicable law. In the case of such allegations, the employee may submit a grievance at Step 2 of the grievance procedure within fourteen (14) calendar days after receipt by the employee of notice of failure of new probation.

2. Promotional Probation
   a. An employee on promotional probation may be failed at the sole discretion of the Authority at any time without right of appeal or hearing except where an employee alleges his/her failure of promotional probation was the result of discrimination as described in Section 3.C.1., of this Article. In case of such allegations, the employee may submit a grievance at Step 2 of the grievance procedure within fourteen (14) calendar days after receipt by the employee of notice of failure of promotional probation.

   b. When an employee fails his/her promotional probation, the employee shall have the right to return to his/her former class provided the employee was not in the class of Firefighter Trainee for the purpose of training for promotion to a higher class.

   c. When an employee is returned to his/her former class under the provisions of this Section, the employee shall serve the remainder of any uncompleted probationary period in the former class. A regular employee who accepts promotion to a limited-term position, other than at the direction of the Fire Chief, shall not have the right to return to his/her former class.

   d. If the employee's former class has been deleted or abolished, he/she shall have the right to return to a class closest to—but no higher than—the salary range of the class the employee occupied immediately prior to promotion and shall serve the remainder of any probationary period not completed in the former class.
D. General Provisions

1. When an employee's record consists of a combination of full-time and part-time service in regular or regular limited-term positions, except as in Article IV, Section 2.D., part-time service shall be applied proportionately by using total hours worked to appropriate full-time requirements.

2. When the Fire Chief or his/her representative passes an employee on probation, that determination shall be based upon a written performance evaluation and, when practicable, shall be discussed with the employee. A probation period may not be extended, except as provided in Section 3.E., of this Article. An employee who is permitted by the Authority to work beyond the end of a probation period shall be deemed to have passed such probation period.

E. Extension of Probation Periods

1. The granting of an Official or a Military Leave of Absence, the imposition of a suspension, or the granting of a light duty assignment to an employee shall cause the employee's probation period to be extended by the length of the Official Leave, suspension, or light duty assignment, or by the length of the Military Leave in excess of fifteen (15) calendar days. The extended probation period resulting from the Official or Military Leave of Absence, suspension, or light duty assignment shall end with the first day of the pay period after said extended date.

2. The Human Resources Director shall extend the new or promotional probationary periods of incumbents appointed as a result of a selection procedure that is appealed. Such probationary periods shall be extended no longer than sixty (60) calendar days from the date on which the Authority receives the Appeals Officer's findings and decision. In the event an employee's probationary period is extended by the provisions of this Section and he/she has served a probationary period longer than the probationary period normally prescribed for new or promotional probation, such an employee may fail probation during the extended period only upon recommendation of the Appeals Officer and final determination of the Board of Directors.

3. Upon the recommendation of the Assistant Chief/Department Head or his/her designee or at the request of the employee with the concurrence of the Assistant Chief/Department Head or his/her designee, the probation period of an employee may be extended at the discretion of the Human Resources Director for a period not to exceed ninety (90) calendar days provided such action is approved by the Human Resources Director before the normal probation period is completed. Denial of a request to extend a probation period shall not be subject to appeal or hearing.

4. The Human Resources Director shall extend the probationary period of employees with an employment authorization document having an expiration date that would occur after the end of the probation period. Such probation periods shall be extended to coincide with the expiration date of the employment authorization document. In the event an
employee's probationary period is extended by the provisions of this Section and he/she serves a probationary period longer than the normal probation period, such an employee may fail probation during the extended period only for failure to obtain a new, valid employment authorization document by the expiration date of the expiring employment authorization document.

Section 4. Performance Evaluation

A. The Authority shall maintain a system of employee performance ratings designed to give a fair and equitable evaluation of the quantity and quality of work performed by an employee. Such ratings shall be prepared and recorded in the employee's personnel file for all regular and limited-term, full-time and part-time employees. Performance evaluations will occur at least once each year. In addition for employees on probationary status, performance evaluations will occur at least once near the middle of their probation period. (12/02/10)

B. Performance evaluations rated substandard shall be grievable through the grievance process up to and including binding arbitration. However, when more than a total of three (3) grievances for all unit members involving substandard performance evaluations are submitted to arbitration within a calendar year, the appealing party(s) (the employee or the OCPFA) shall bear the full cost of the arbitrator starting with the fourth appeal to arbitration.

C. The Authority shall discuss with the employee the specific ratings prior to such ratings being made part of the employee's personnel file.

D. When a performance evaluation is recorded in the personnel file of an employee, a copy of such evaluation, together with any attachment relating thereto, shall be given to the employee.

Section 5. Intra-Departmental Transfers

A. The Authority shall maintain a fair and equitable intra-departmental transfer system that gives consideration to the following factors:

- Employee request
- Employee qualifications for specialized assignments
- Seniority
- Departmental needs

B. The parties agree that transfers will be conducted according to Standard Operating Procedure (SOP) HR. 03.04 (Employee Transfer). The parties further agree that there shall be no changes or alterations made to those portions of SOP HR. 03.04 that are within the scope of representation of OCPFA during the term of this MOU without mutual agreement of the parties.

Section 6. Shift Exchange Policy

A. Time exchanges may be voluntarily undertaken between two (2) employees upon approval of the employees' immediate supervisors and Battalion Chief prior to such exchange.
B. Responsibility for arrangement for the repayment of such time rests with the employees involved.

C. No obligation shall be placed upon the Authority for repayment of time voluntarily traded or repaid between employees.

D. The Fire Authority agrees that there will be no changes to the present shift exchange policy or practices during the term of this MOU without mutual agreement.

Section 7. Seniority

A. Except as provided in Section 7.C., of this Article, the provisions of this Section shall not be used for any purpose or be applicable to any other provision of this Agreement.

B. Except for employees transitioning pursuant to Section 7.F., of this Article, seniority shall mean continuous full-time equivalent service as a regular employee with the Orange County Fire Department and/or the Authority, which has not been interrupted by resignation, discharge, or retirement. For employees transitioning pursuant to Section 7.F., of this Article, seniority shall mean continuous employment with the transitioning fire service agency in a full-time, regular position, which has not been interrupted by resignation, discharge, or retirement and for which the employee has accrued public safety retirement system credit exclusive of any credit for overtime. Suspensions and unpaid leaves of absence shall not be considered a break in service.

C. Unless otherwise provided, all regular full-time employees who have successfully completed new probation shall be placed on a seniority list. Seniority for employees hired on the same date will be determined by their ranking in their Academy class at the end of probation, and ties will be broken by lottery. If a tie occurs between a date a new employee is hired into an Academy and a date an employee is reemployed after a break in Authority service, the reemployed employee will be placed on the list ahead of the Academy employee(s). This seniority list shall be used for the sole purposes of:

1. Transfers, as provided in Section 5., of this Article; vacation scheduling, as provided in Article V, Section 14.D.5., of this Article; scheduled backfill, as provided by Authority procedures; and/or for all employees who transition pursuant to Section 7.F., of this Article.

D. Seniority credit shall be calculated as follows:

1. Two thousand nine hundred twelve (2,912) hours credit shall be given for each continuous year of service with the Orange County Fire Department and/or the Authority. Credit hours totaling seven and ninety-eight hundredths (7.98) hours shall be given for each calendar day of service for any partial year of continuous service with the Orange County Fire Department and/or the Authority. This credit shall apply to seniority as used in this Section and represents a conversion from an eighty (80) hour work period to a one hundred and twelve (112) hour work period.
E. Former California Department of Forestry employees who became employees of the Orange County Fire Department on or before July 1, 1980, shall receive seniority credit pursuant to Section 7.D., of this Article, for all continuous regular full-time service with the California Department of Forestry.

F. Except as provided in Section 7.F.1., of this Article, employees—who became employees of the Authority as the result of the Authority taking over responsibility for the provision of fire services for their former employer—shall receive seniority credit pursuant to Section 7.B. and 7.D., of this Article, for all eligible continuous regular full-time service with their former public fire service.

1. Pursuant to Section 7.B., 7.D., and 7.F., of this Article, seniority credit shall be granted to the most senior transitioning employees up to the number of positions created within the Firefighter Unit, as the result of responsibility for the provision of fire services being taken over by the Authority. Transitioning employees in excess of this number shall be placed on the seniority list in descending order of service hours. As former employees from the transitioning cities retire or otherwise separate from Authority service, the next most senior of the excess personnel shall be granted seniority credit for his/her continuous service with the transitioning city.

G. An updated seniority list will be distributed (1) annually in November and (2) as soon as possible following the transition of a new agency to the Authority.

1. If this updated list, which is necessitated by the transition of a new agency, is not finalized and distributed at the transition, the Authority shall meet with representatives of the Association to resolve the issue.

H. An updated seniority list will be created upon each employee’s separation.

I. The Authority and the Association agree that positions created as a result of new agency membership in the Authority will be available to all employees in the corresponding classification(s) based upon their seniority, as provided in Section 7, of this Article.

J. The number of new positions created in the Firefighter Unit (suppression and staff) will be determined by agreement with the new contract agency, depending upon the level of service for which they have contracted. The number of employees by classification to be transitioned to the Authority will be determined by the number of newly created positions in each class. The new contract agency is responsible for identifying personnel who will transition in each classification, up to the number of positions created. Contract agency employees in excess of the number of positions that are created in each classification within the Firefighter Unit by the transitions, at the discretion of the Authority, may be offered employment. Any such offers would be at the rank of Firefighter. Unless otherwise set forth in this Agreement, employees transitioning to the Authority as a result of such new agency membership shall be entitled to no preferential rights.
K. There shall be no changes or alterations made to those portions of the Seniority List Procedure (SOP HR 03.15) agreed to June 2, 2016 that are within the scope of representation of OCPFA during the term of this MOU without mutual agreement of the parties.

Section 8. Contents of Personnel File

A. Adverse statements prepared by the Authority shall not be included in an employee's official personnel file unless a copy is provided to the employee.

B. An employee shall have the right to inspect and review the contents of his/her official personnel file at reasonable intervals.

C. An employee shall have the right to inspect and review the contents of his/her official personnel file in any case where the employee has a grievance related to performance, to a performance evaluation, or is contesting his/her suspension or discharge from Authority service.

D. Letters of reference and reports regarding criminal investigations concerning the employee shall be excluded from the provisions of Section 8.B. and 8.C., of this Article.

E. An employee shall have the right to respond in writing or personal interview to any information contained in his/her official personnel file. Such reply will become a permanent part of such employee's official personnel file.

F. Any contents of an employee's official personnel file may be destroyed pursuant to an agreement between the Human Resources Director and the employee concerned or by an order of an arbitrator, court, or impartial hearing officer unless the particular item is otherwise required by law to be kept.

Section 9. Tobacco Products

All employees hired after the effective date of this MOU are not permitted to use tobacco products on or off duty.
ARTICLE IV

EMPLOYMENT PROVISIONS

Section 1. **Temporary Promotion**

A. A regular, probationary, or limited-term shift employee who is assigned on a temporary basis to a higher level vacant regular or limited-term shift position may be promoted on a temporary basis to that class, provided he/she meets the qualifications of the position, when such employee has been assigned to the higher class for two hundred twenty-four (224) consecutive regularly scheduled hours of work and the employee has been performing all of the significant duties and responsibilities of the higher class unless the employee requests to be reassigned to his/her former class. In such a case, the employee shall be reassigned within five (5) working days.

B. The Authority may, at its option, waive the two hundred twenty-four (224) hour requirement when it is necessary to utilize a regular or limited-term shift employee in a higher level vacant regular or limited-term shift position for a period that is expected to be at least two hundred twenty-four (224) consecutive regularly scheduled hours but less than one (1) year.

C. Except as provided in Article III, Section 3.B.4., an employee on temporary promotion shall not be placed on promotional probation. Upon return from temporary promotion, an employee shall serve the remainder of any uncompleted probationary period in the employee's former class and shall have the step status and merit increase eligibility date he/she would have achieved if the employee had remained in the lower class throughout the period of his/her service in the higher class.

D. At the end of the employee's assignment to the higher class, the employee shall have the right to return to his/her former class and department. A temporary promotion shall not exceed a period of one (1) year.

Section 2. **Status of Limited-Term Employees**

A. All limited-term employees shall be subject to the same hiring standards and shall earn all benefits, except those contained in the LAYOFF PROCEDURE, which accrue to employees in regular positions.

B. A regular employee who transfers, promotes, or reduces to a limited-term position on a voluntary basis and not at the direction of the Fire Chief shall become a limited-term regular employee.

C. All limited-term employees who transfer to permanent funded positions shall maintain their original hire date for purposes of vacation and Sick Leave accrual, retirement, layoff, and new employee probation.

D. When funding ceases for a limited-term position or when the position is no longer necessary, the limited-term position shall be abolished and the incumbent shall be removed from the payroll except as provided in Section 2.E., of this Article.
Section 3. **Reemployment of Employees on Disability Retirement**

A. The Authority will counsel and advise employees retired for physical disability about reemployment opportunities with the Authority.

B. Employees retired for physical disability who, within two (2) years from date of retirement or date their disability retirement is discontinued, request and qualify for positions in the Authority service shall be placed on the eligibility list with respect to such positions. They will be placed on such List in chronological order of retirement, following the last person on layoff status. They will remain on such List for a period of two (2) years from date of retirement or date their disability retirement is discontinued, except that:

1. A person appointed to a regular position in the Authority service shall be removed from the List;

2. A person who, on two (2) separate occasions, rejects or fails to respond within three (3) work days to offers of employment in a class for which he/she is qualified shall be removed from the List;

3. A person who, on three (3) separate occasions, declines referral for interviews in a class for which he/she is qualified shall be removed from the List.

Section 4. **Reemployment of Regular Employee**

A. A regular employee who leaves Authority employment and is reemployed within fifteen (15) calendar days shall be deemed to have been on Departmental Leave for such period of time.

Section 5. **Reduction Within the Firefighter Unit**

A. Nothing within this Agreement shall allow a reduction to or reinstatement in the position of Fire Apparatus Engineer, unless the employee previously held the position.

Section 6. **Non-Discrimination Clause**

A. The Authority and the Association agree that neither of them shall discriminate against any employee because of race; color; sex; age; national origin; political or religious opinion or affiliations as well as other legally recognized protected classes addressed by state and/or federal law OR for participating in or refusal to participate in protected, concerted Union activities.
Section 7. Transition of Employment

The following are provisions regarding the transition of employees from other public fire service agencies that previously provided fire services within Orange County to employment with the Authority:

A. Continuous employment with a transitioning fire service agency shall mean employment with the transitioning fire service agency in a full time, regular position, which has not been interrupted by resignation, discharge, or retirement, and for which the employee has accrued public safety retirement system credit, exclusive of any credit for overtime. Suspensions and unpaid leaves of absence for up to a two (2) year period shall not be considered a break in service, nor shall such suspensions and leaves of absence be credited toward continuous employment.

B. All employees transitioning to Authority employment into positions covered by the this Agreement as the result of OCFA taking over the responsibility for the provision of fire services for their former employer shall receive full credit for their continuous employment with the public fire service agency from which they are transitioning for the purposes of determining sick leave accrual rates, vacation accrual rates, and meeting minimum requirements for promotional opportunities.

C. Transitions into positions will be as follows:

1. The most senior employees transitioning to Authority employment into positions covered by this Agreement equal in number to the number of OCFA positions created as the result of OCFA taking over the responsibility for the provision of fire services for their former employer shall receive full credit for their continuous employment with the public fire service agency from which they are transitioning. Such credit is for the purposes of determining eligibility for all seniority based rights held by employees covered by this Agreement, with the following exceptions:

   a. Rights for any transitioning employee serving new probation at the time of transition to use their continuous employment with the transitioning public fire service agency to qualify toward the completion of new probation with the Authority in accordance with Article III, Section 3.A.1. of this Agreement.

   b. The remaining employees transitioning to Authority employment into positions covered by this Agreement shall receive full credit for their continuous employment with the public service agency from which they are transitioning, one by one, as specified under subparagraph 3.A., when a more senior employee who transitioned from the same fire service agency and has received seniority credit pursuant to subparagraph 3.A., above, leaves employment with the OCFA. The employee with the greatest amount of continuous employment with the same transitioning fire service agency from which they transitioned shall have first rights to the benefits provided by this subparagraph.

C. Permitted Uses of Sick Leave

1. Sick Leave may be applied to:
   a. Absence necessitated by employee's personal illness, injury, or disability due to pregnancy or childbirth.
b. Medical and dental office appointments when absence during working hours for this purpose is authorized by the employee's supervisor. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the Authority that the presence of the employee on duty would endanger the health of others.

c. Absence when the employee's presence is needed to attend to the serious illness of a member of his/her immediate family. For each occurrence, such absence shall be limited to a maximum of twenty-four (24) working hours for staff employees assigned to a forty (40) hour workweek or two (2) twenty-four (24) hour shifts for shift employees assigned to a fifty-six (56) hour average duty workweek. 2. Illness while on paid vacation will be charged to Sick Leave rather than vacation only under the following conditions:

   a. The employee provides information (without having to identify a diagnosis) that the illness or injury precluded the effective use of vacation and would prevent the employee from performing his/her normal duties.

   b. The employee must notify his/her supervisor within four (4) calendar days of the beginning of the illness or prior to the end of his/her vacation whichever is sooner, to request that his/her illness on vacation be charged to Sick Leave.

   c. The Authority shall be under no obligation to extend the vacation beyond the original scheduled vacation ending date.

   d. Upon the employee's return to work, the employee must furnish the Authority with a certificate signed by a licensed physician, a registered nurse or recognized health care provider stating the period of disablement.

3. Absence from duty because of personal emergencies shall be limited to a maximum of sixteen (16) working hours for staff employees assigned to a forty (40) hour workweek or one (1) shift for shift employees assigned to a fifty-six (56) hour average duty week during the fiscal year.

D. Prohibited Uses of Sick Leave

1. Sick Leave shall not be applied to absences caused by illness or injury to a member of the employee's family except as provided in Section 1.C.1., of this Article.
2. For forty (40) hour workweek employees, Sick Leave shall not be applied to absences that occur on an Authority observed holiday.

E. General Provisions

1. In any use of Sick Leave, an employee's account shall be charged to the nearest quarter hour.

2. An employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other Authority-approved evidence of illness, injury, a medical condition, or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

F. Sick Leave for Transitioning Employees

1. When presenting another agency a proposal for fire protection services, the Authority may offer the agency the opportunity to purchase up to fifty-six (56) hours of Sick Leave credit for each employee transitioning to the Authority assigned to a fifty-six (56) hour average duty week and forty (40) hours of Sick Leave credit for each employee assigned to a forty (40) hour workweek.

Section 2. California Department of Forestry Sick Leave Balances

A. A former State employee with a Sick Leave balance transferred from the State shall have such balance maintained separately from his/her Authority Sick Leave balance. The State Sick Leave balance shall not be utilized except where the Authority Sick Leave balance is exhausted.

For purposes of this Section, immediate family shall mean father, father-in-law, mother, mother-in-law, stepparent, brother, sister, wife, husband, child, stepchild, grandparent, or legal guardian.

Section 4. Authorized Leave Without Pay

A. Authority Leave

1. Upon request, a regular, limited-term, or probationary employee may be granted an Authority Leave Without Pay for a period not to exceed fifteen (15) calendar days. The granting of such Leave shall be at the discretion of the Fire Chief, except in cases where Official Leave has been authorized pursuant to Section 4.B.3., 4.B.5., and Section 10.A., of this Article. The Fire Chief may require that all accumulated compensatory
time be used prior to granting of such Leave. The use of earned vacation
prior to the obtaining of Leave shall be at the option of the employee.

B. Official Leave

1. Upon request, an employee may be granted an Official Leave of Absence
Without Pay. Such Leave, if granted, shall not exceed one (1) year,
except as provided in Section 4.B.2. and 4.B.3., of this Article. Such
Leave may be taken only after an employee's completion of an Authority
Leave request provided that granting of a Leave shall not be a
prerequisite to a request for Official Leave. The Fire Chief may require
that all or a portion of compensatory time (previously earned) and
vacation be used prior to granting such Leave.

2. An Official Leave of Absence may be extended for up to an additional
year at the discretion of the Fire Chief, except that requests for Official
Leave, which qualify as Family Leave pursuant to applicable law, shall be
granted to the extent required by such law. If the Fire Chief denies the
extension of such Leave, Section 4. and Section 5., of this Article, shall
not apply.

3. Upon request, an employee who has requested and identified a valid
need for Family Leave pursuant to Section 12., of this Article, and
applicable law, shall be granted Official Leave to the extent required by
such law. Such Leave shall be authorized only after an employee's
completion of an Authority Leave request and after all accumulated
compensatory time and vacation accruals have been applied toward
payment of the absence. In addition, where appropriate under the
provisions of Section 1.B., of this Article, the employee may be required to
apply all Sick Leave accruals toward payment of the absence before an
Official Leave will be authorized.

4. An employee shall give notice two (2) weeks prior to the date he/she
wants to return to work, except that an employee returning from Family
Leave shall give the lesser of two (2) weeks’ notice or the maximum
notice allowable under applicable law. If an employee does not give the
required notice prior to the date he/she wants to return to work, the
Authority shall not be required to return the employee to work until the
employee gives such notice; however, the Authority may waive the notice
or reduce the notice period at its discretion.

5. The Department Head/Assistant Chief shall indicate on the request for
Leave of Absence his/her recommendations as to whether the request
should be granted, modified, or denied and shall promptly transmit the
request to the Human Resources Director. The Human Resources
Director shall render a decision within thirty (30) days of when the request
is submitted to him/her. If the Human Resources Director approves the
request, he/she shall deliver a copy to the Financial Services Manager,
the Department Head/Assistant Chief, and the employee.

6. If the Human Resources Director modifies or does not approve a request
for Official Leave, the employee and/or the Department Head/Assistant
Chief may, within fifteen (15) calendar days of said action, file a request
with the Human Resources Director for review by the Board. Upon such request, the Human Resources Director shall forward a copy of the request for Official Leave to the Board for final determination. The employee and the Department Head/Assistant Chief shall notify the Human Resources Director whether he/she will submit his/her position in a written statement or wishes to appear before the Board. The Human Resources Director may present his/her position in the same manner as the employee presents his/her position. The Board, at its discretion, may designate a representative(s) to decide such appeals. The decision on such appeals shall be final.

7. An Official Leave shall not be deemed a break in Authority service.

C. General Provisions

1. A request for a Leave of Absence shall be made upon forms prescribed by the Human Resources Director and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence, and the probable date of return.

Fees for jury duty performed during hours other than regularly scheduled working hours may be retained by the employee. Any hours worked beyond the regularly scheduled workday shall be subject to the workweek and overtime provisions in Article I. An employee who calls the court while at work and finds out that he/she must report to jury duty the next day must continue to work the shift but will be relieved from duty with sufficient time to arrive at the court for jury duty in the morning. If the employee is scheduled to be on duty on the day he/she is on jury duty, whether he/she must return to his/her shift after the jury service will be determined on a case-by-case basis.

Section 8. **Witness Leave**

A. An employee who is called to answer a subpoena as a witness for court appearances during the employee's work hours, except where the employee is a litigant or where the subpoena is related to the employee's employment with another employer who the Fire authority did not assume fire protection duties from, shall be compensated at his/her regular rate of pay for all hours of absence from work due to answering the subpoena provided the employee shows proof of such subpoena and deposits witness fees received for such hours, exclusive of mileage, with the Finance Manager. Fees for answering a subpoena as a witness during hours other than regularly scheduled working hours may be retained by the employee.

Section 9. **Absence Without Authorization**

A. Absence without authorization, whether voluntary or involuntary, for three (3) consecutive working days for staff employees or two (2) consecutive duty shifts for shift employees, shall be considered an automatic resignation from Authority employment as of the last date on which the employee worked or the last date the employee was to return to work from an authorized absence.

B. If an employee does not have prior authorization to be absent from work, he/she may request specific authorization from the Fire Chief prior to the expiration of the time limit specified in Section 9.A., of this Article.

C. When an employee has been absent without authorization and the Authority plans to invoke the provisions of Section 9.A., of this Article, at least ten (10) calendar days prior to accepting and entering an automatic resignation, the Authority shall send written notice to the employee's last known address by certified mail with return receipt requested, and shall deposit such notice in the United States mail with postage fully prepaid. E. An employee who is permitted to continue his/her employment pursuant to Section 9.C. and/or 9.D., of this Article, shall not be paid for the period of his/her unauthorized absence and shall be treated as if on a Leave of Absence for purposes of continuity of employment and other appropriate benefits, unless the Authority determines it is appropriate to use Sick Leave, compensatory time, vacation, or other paid Leave to cover the absence.

F. Notwithstanding any other provision of this Section, the Authority may rescind an automatic resignation.

G. Automatic resignations shall not be considered a discharge under the provisions of Article VIII, DISCIPLINARY AND PRE DISCIPLINARY ACTIONS.

Section 10. Workers' Compensation Leave

The balance of the donated converted hours will then be added to the recipient’s Sick Leave account. These donated vacation and Sick Leave hours will be available for use during the recipient’s Catastrophic Leave. If any donated hours remain at the end of the recipient’s Catastrophic Leave, they shall remain available for the sole use of the recipient. If the recipient dies during the Catastrophic Leave, all unused donated time shall be converted to dollars at the hourly rate of the recipient and paid to the recipient’s surviving spouse or estate in the same manner as any monies due for vacation and/or compensatory time.

In which case, the Authority shall bear the full cost. When the appeal involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.

C. Appeal hearings by an arbitrator shall be private.

D. Arbitration appeal hearings for suspensions of less than forty (40) hours (if assigned to a forty [40] hour workweek) or two (2) twenty-four (24) hour shifts (if assigned to a fifty-six [56] hour average duty week) shall be limited to one (1) day unless both parties agree a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The one (1) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the Fire Chief.

E. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Conciliation Service, the American Arbitration Association, or some other agreed upon source. Then, each party shall alternately strike one (1) name from the list until only one (1) name remains. The Association shall strike the first name.

F. Upon written request by the opposing party in a pending hearing given at least twenty-eight (28) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the requested copies of all documentary evidence to be used by that party at the hearing. Such
evidence shall be provided no later than fourteen (14) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing, except that any such documentary evidence discovered by a party after such a request for copies—but not soon enough to comply with the above time limits—may be admitted provided it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

G. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable and scheduled in advance.

H. At the hearing, both Local 3631 and the Authority shall have the right to be heard and to present evidence. The following rules shall apply:

1. Oral evidence shall be taken only on oath or affirmation.

2. Each party shall have these rights: (1) to call and examine witnesses, (2) to introduce exhibits, (3) to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, (4) to impeach any witness regardless of which party first called the witness to testify, and (5) to rebut the evidence against the witness. If the employee does not testify on his/her own behalf, the employee may be called and examined as if under cross-examination.

I. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient itself to support a finding, unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are not—or hereafter may be—recognized in civil actions. Irrelevant and unduly repetitious evidence shall be excluded.

J. The Authority shall be allowed to have at least one (1) employee who may be called upon to testify as a witness present at the arbitration hearing at all times.

K. The decision of the arbitrator shall be final and binding on all parties.

L. The Firefighter Procedural Bill of Rights Act provides that administrative appeals shall be conducted in conformance with rules and procedures that are in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the California Government Code. The Authority and
the Association agree that the General Provisions set forth in Section 7 are in accordance with said statutes.

Section 8. Investigative Interviews

A. Whenever any employee is questioned or interrogated by management or any other member designated by the employing department or licensing or certifying agency concerning any matter, which could lead to punitive action or discipline, the employee may request that a Union representative of his/her choice be present during the questioning or interrogation session.

B. In the event the employee exercises such right, no questioning or interrogation shall proceed until such time as a Union representative is made available to attend such session.

C. An employee suspected of criminal misconduct shall be provided with a written formal grant of immunity from criminal prosecution before the employee may be compelled to respond to incriminating questions in an interrogation. Subject to that grant of immunity, a firefighter refusing to respond to questions or submit to interrogations shall be informed that the failure to answer questions directly related to the investigation or interrogation may result in punitive action. may be ordered to answer questions, notwithstanding the employee's constitutional rights, upon penalty of discipline provided the employee is advised that such answers may not be used in any criminal proceedings against the employee.

D. For the purpose of this agreement, employees assigned the duties of Arson Investigation shall be deemed Peace Officers, and this agreement will neither diminish nor enhance rights granted under California Government Code 3300, if any exist.

E. OCFA may have up to two (2) management representatives in attendance at any investigative interview.

F. In addition to the employee represented, Local 3631 may have up to two (2) representatives in attendance (unless the employee represented is also a union representative, in which case two (2) other union representatives and a total of three (3) management representatives may attend).

C. If it is the judgment of any management representative that he/she does not have the authority to resolve the grievance, he/she may refer it to the next step in the procedure. By mutual agreement of the Authority and Local 3631, Step 1 of the grievance procedure may be waived.

D. Upon prior written consent of the parties (i.e., the representatives of the Authority and the employee or his/her representative), the time limits at any step in the procedure may be extended.

The Association shall have the right to file grievances on behalf of the general membership; however, when the Association files a grievance on behalf of the general membership, it shall provide the Authority with the names of individuals who have been adversely affected. The Association has the right to grieve and arbitrate issues that solely affect the rights of the Association. No employee or group of employees shall be hindered from or disciplined for exercising this right.

B. If any two (2) or more employees have essentially the same grievance, they may, and if requested by the Authority must, collectively present and pursue their grievance if they report to the same immediate supervisor.

1. Before performing grievance work, the grievant or grievance representative shall obtain the permission of his/her supervisor and shall report back to the supervisor when the grievance work is completed.

2. Neither the grievant nor the grievance representative shall interrupt or leave his/her job to perform grievance work unless his/her supervisor determines such interruption or absence will not unduly interfere with the work of the unit in which the grievant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

3. When an authorized grievance representative must go into another section or unit to investigate a grievance, the representative shall be permitted to do so provided both that:

   a. The representative checks in and checks out with the supervisor of the unit

   b. Such investigation does not unduly interfere with the work of the unit

Section 6.  **Informal Discussion**

A. The grievance procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

1. All Step 1 and Step 2 grievances must be submitted to the Human Resources Director, the employee's Battalion Chief, Section Manager, Division Manager, or Division Chief within the time limits outlined in this
Article. If the grievance is submitted to the employee’s Battalion Chief, Section Manager, Division Manager, or Division Chief, a copy will be forwarded to the Human Resources Director. Submission may be via mail, hand delivery, email or fax; postmarks shall be accepted. Fax deliveries must be received no later than 5:00 p.m. on the last day allowable under the provisions of this Article. A grievance may be filed by an employee—or the Association in the name of the employee—at the employee’s request.

2. **STEP 1: Battalion Chief, Section Manager, Division Manager, or Division Chief**

   a. If an employee has a grievance, the employee or the Association, on behalf of the employee, may formally submit a grievance to the Human Resources Director, Battalion Chief, Section Manager, Division Manager, or Division Chief within fourteen (14) calendar days from the occurrence that gave rise to the problem. A Step 1 grievance will be heard by a Battalion Chief, Section Manager, Division Manager, or Division Chief. In those cases where the Battalion Chief is the immediate supervisor and is the subject of the grievance, the Battalion Chief and Division Chief shall meet with the grievant within the time limit.

   b. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within fourteen (14) calendar days after receipt of the written grievance, the Battalion Chief, Section Manager, Division Manager, or Division Chief shall meet with the grievant.

   c. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The written decision at Step 1 shall be signed by the reviewing officer.

If the grievance is not settled under Step 1 and it concerns an alleged misinterpretation or misapplication of this M or a substandard performance evaluation, it may be appealed in writing to the Human Resources Director within fourteen (14) calendar days after receipt of the written decision from Step 1. Within fourteen (14) calendar days after receipt of the written grievance, the Fire Chief or, if designated, the Deputy Fire Chief or appropriate Assistant Chief shall meet with the grievant and his/her representative. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant and his/her representative. (12/02/10)

**Section 8. Referrals to Mediation**

A. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may mutually agree to submit a grievance to mediation. A request for mediation may be presented in writing to the Human Resources Director within fourteen (14) calendar days from the date a decision was rendered at Step 2. A request for mediation will automatically suspend the
normal processing of a grievance until the mediation process is completed. The Authority will respond to a request for mediation within fourteen (14) calendar days. The mediation process will be optional, and any opinion expressed by the mediator will be informal and will be considered advisory. Should the mediation process not be successful, within fourteen (14) calendar days after completion of the mediation process, an arbitration request may be filed pursuant to Section 9, of this Article.

B. An employee shall not suffer loss of pay for time spent as the grievant or as a representative at a mediation hearing held pursuant to this procedure. The number of representatives requested to attend shall not exceed two (2), unless additional representatives are mutually agreed upon by both parties. The scheduling of representatives shall be reasonable and scheduled in advance.

Section 9. **Referrals to Arbitration**

A. If a grievance is not resolved under Step 2 or mediation, an arbitration request may be submitted in writing by the Association to the Human Resources Director within fourteen (14) calendar days from the date a decision was rendered at Step 2 or the completion of the mediation process. As soon as practicable thereafter—or as otherwise agreed to by the parties—an arbitrator shall hear the grievance.

B. The parties shall either sign a joint issue submission statement or execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

Section 10. **General Provisions**

A. If the grievance is decided by an arbitrator, the grievant and his/her representative relinquish any current or future claim to seek or obtain remedy through any other Authority appeal procedures.

B. The cost of an arbitrator shall be shared equally in all cases by the Authority and the appealing party except as noted in B.1. and B.2., of this section.

1. When the appealing party solely alleges discrimination—in which case, the Authority shall bear the full cost. When the grievance involves both discrimination and other arbitrable issues, the arbitrator shall determine the proper division of costs.

2. When the Association brings more than three (3) arbitrations for all unit members regarding substandard performance evaluations, the Association shall bear the full cost of the arbitrator beginning with the fourth (4th) arbitration.

C. Grievance hearings by an arbitrator shall be private.

D. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be
obtained from the Public Employment Relations Board, the American Arbitration Association, or some other agreed upon source. Then, each party shall alternately strike one (1) name from the list until only one (1) name remains.

E. Upon written request by the opposing party in a pending hearing given at least twenty-eight (28) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than fourteen (14) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing, except that any such documentary evidence discovered by a party after such a request for copies—but not soon enough to comply with the above time limits—may be admitted provided it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

F. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable and scheduled in advance.

G. At the hearing, both Local 3631 and the Authority shall have the right to be heard and to present evidence. The following rules shall apply:

1. Oral evidence shall be taken only on oath or affirmation.

2. Each party shall have these rights: (1) to call and examine witnesses, (2) to introduce exhibits, (3) to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, (4) to impeach any witness regardless of which party first called the witness to testify, and (5) to rebut the evidence against the witness. If the employee does not testify on his/her own behalf, the employee may be called and examined as if under cross-examination.

H. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient itself to support a finding, unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now, or hereafter may be, recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.
I. The Authority shall be allowed to have at least one (1) employee who may be called upon to testify as a witness present at the arbitration hearing at all times.

J. The decision of the arbitrator shall be final and binding on all parties.
ARTICLE X

LAYOFF PROCEDURE

Section 1. General Provisions

A. This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.

B. Section 7., Reinstatement Lists, and Section 8., Status on Reinstatement, of this Article, shall not apply if the Authority has a written agreement with an employer, public or private, which guarantees the Authority employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by Authority employees and the new employer does make such an offer in writing to the employee.

Section 2. Order of Layoff

A. The Authority may abolish a position because of change in duties or organization or shortage of work or funds which, in turn, may require the layoff of one (1) or more employees. When a layoff is implemented, employees in regular positions and those occupying limited-term positions at the direction of the Fire Chief shall be laid off in an order based on consideration of:

1. Employment status

2. Length of continuous service

B. Layoffs shall be made by class within the Authority.

C. Within a class, employees shall be subject to layoff in the following order:

<table>
<thead>
<tr>
<th>Employment Status</th>
<th>Layoff Order</th>
</tr>
</thead>
<tbody>
<tr>
<td>First - Temporary Promotion</td>
<td>Determined by Authority</td>
</tr>
<tr>
<td>Second - New Probationary</td>
<td>Determined by Authority</td>
</tr>
<tr>
<td>Third - Regular/Promotional</td>
<td>Determined by Authority</td>
</tr>
</tbody>
</table>

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the order of layoff for these employees shall be determined by a random drawing to be conducted by the Human Resources Director and observed by a representative of the Association.

D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall
be returned to his/her former class and shall be subject to layoff in accordance with this procedure.

D.  The Authority will comply with the requirements of Occupational Safety and Health Administration, 29 C.F.R., Parts 1910 and 1926, to the extent legally required.

Section 2.  Tiller Position

A. Firefighters and/or firefighter paramedics assigned to or transferring into tractor drawn aerial apparatus (TDA) positions will have to successfully complete the necessary training provided by the OCFA; and agree to provide service as a tiller operator.

B. Firefighters and/or firefighter paramedics that hold a post position on a truck company that is identified to have a TDA assigned to the company must successfully complete the necessary training provided by the OCFA; and agree to provide service as a tiller operator.

1. Firefighters and/or firefighter paramedics who hold a post position on a truck company designated to receive a TDA and who do not wish to volunteer or who do not successfully complete the necessary training to become certified as a tiller operator may either voluntarily transfer under

Firefighters who elect to transfer or to accept an administrative assignment shall not receive a preferential bid for the purposes of transferring.

2. The OCFA agrees to provide all training in tiller operations to Firefighters and/or firefighter paramedics that are assigned to the post position at the same station as the TDA.

C. The parties recognize that assignment to a position on a tiller truck as the tiller-operator will not receive additional compensation unless the parties affirmatively agree otherwise.

Section 3. Water Tenders and Compressed Air Foam Apparatus

A. Water Tenders (WT) and Compressed Air Foam Apparatus (CAFA) may be staffed using career personnel from the Firefighter Bargaining Unit when it is deemed appropriate to do so by the Assistant Chief of Operations. Drivers for the WT and CAFA must be properly trained and licensed to drive the specific unit. The staffing of these units will conform, to the extent possible, to the hiring and callback procedures identified in SOP HR.03.01 Staffing Procedures.

B. When the Assistant Chief of Operations exercises his discretion to use career personnel for WT the staffing by such career personnel will consist of one member from the Fire Apparatus Engineer classification and one member from the Firefighter classification.

C. When the Assistant Chief of Operations exercises his discretion to use career personnel for CAFA the staffing by such career personnel will consist of one member from the Fire Apparatus Engineer classification and one member from the Firefighter classification, or if approved by the Assistant Chief of Operations or the Duty Officer in his absence, two members from the Firefighter classification. The Assistant Chief of Operations, or the Duty Officer in his absence, may also authorize additional CAFA staffing when deemed necessary by the OCFA.

D. The Assistant Chief of Operations, or the Duty Officer in his absence, may authorize the voluntary movement of qualified personnel from another unit for use on the WT or CAFA and the subsequent backfilling of the vacated position. If a CAFA is required to respond out of Orange County the unit will be staffed with a Fire Captain, Fire Apparatus Engineer, and Firefighter. A second firefighter may be added at the discretion of the Assistant Chief of Operations, based on funding.
ARTICLE XXVI

MANAGEMENT RIGHTS

Any of the rights, powers, or authority the Authority had prior to the signing of this Memorandum are retained by the Authority, except those specifically abridged, delegated, or modified by this Memorandum provided that such management rights do not restrict employees from filing grievances concerning the application or interpretation of this Memorandum.
COMPENSATION POLICY—Labor Market Adjustment

For this 2016-2020 MOU, the parties agree that the Compensation Policy will not be used. It was last calculated to determine if it impacted compensation in February 2015. However, the parties agree to keep this article in the MOU in case they agree to apply the policy in the future.

Section 1. Intent

A. It is the intent of the Authority to maintain the classifications of Fire Captain, Fire Apparatus Engineer, and Firefighter at the average of the top quarter (top three [3]) non-Authority Fire Departments in Orange County, through the process of parity surveys. The purpose of this policy is to attract and retain highly qualified personnel as employees of the Orange County Fire Authority. This goal will be accomplished through a joint effort process between OCPFA and OCFA, as outlined in this Article. The classification of Firefighter Trainee and Hand Crew Firefighter will be adjusted in the same manner as that applied to the classification of Firefighter. The classifications of Heavy Fire Equipment Operator and Fire Pilot will be adjusted in the same manner as that applied to the classification of Fire Captain.

Section 2. Effective Dates

A. The Authority will make adjustments to the aforementioned classifications as a result of conducting a series of parity surveys during the term of this agreement. These surveys will commence no later than thirty (30) days prior to the scheduled effective dates. Should the survey results warrant adjustments, such adjustments will be made effective as follows:

1. The first “full” pay period in February 2015 (Pay Period 5) in accordance with Article XXIV, Section 1. (12/02/10)

Section 3. Survey Agencies

A. Both parties have agreed that the survey agencies will be the cities in Orange County maintaining their own Fire Departments. These cities are identified as follows:

- Anaheim
- Costa Mesa
- Fullerton
- Huntington Beach
- Laguna Beach
- Orange
- Brea
- Fountain Valley
- Garden Grove
- La Habra
- Newport Beach

B. If the Authority assumes the fire service responsibilities of any of the above cities, those cities will be removed from the list and the remaining cities will continue to be used as survey agencies.

Section 4. Survey Criteria
A. The purpose of the survey of the above cities is to determine the “Total Compensation” for each of these cities. Total Compensation is defined as the total of the following elements:

1. Base Salary Rate—This element is defined as the base salary established for the classification.

2. EMT Pay—This element is defined as the compensation an employee receives—in addition to his/her base salary—for certification as an Emergency Medical Technician (EMT).

3. Employer Paid Retirement—Retirement contributions are divided into two (2) categories: (a) the amount the employer is required to contribute and (b) the amount the employee is required to contribute. This element is defined as the amount of contribution the employer pays on behalf of the employee's required contribution.

The comparison with the survey agencies will be made based on the percentage the employer has assumed of the employee's required contribution. Such percentage will translate into a dollar amount. It is understood that the employee's required contribution, under the Orange County Employees Retirement System, may vary for each employee. As a result, an average contribution rate for employees within the Firefighter Unit will be determined and will be used for comparison to the survey agencies. This rate will be determined on each occasion prior to the commencement of the survey.

On the first full pay period in the November prior to the survey effective date identified in Section 2., of this Article, the rate will be determined by summing the Authority retirement contributions for all active members of the Firefighter Unit. The sum will then be divided by the total sum of the Firefighter Unit’s base pay at that time, which is subject to retirement.

4. Educational Incentive—This element is defined as the compensation the employee may receive for obtaining college/university course work units or obtaining a college/university degree. The data reflecting the highest payment obtainable for the classifications of Fire Captain, Fire Apparatus Engineer, or Firefighter, in the surveyed agency, will be used as the comparison.

B. Data regarding the above elements will be based on what is being paid at the time of the survey on January 1, prior to the scheduled adjustment date.

C. Unless otherwise agreed upon, this compensation policy shall only be in force and effect for the duration of this Memorandum of Understanding.

Section 5. **Compensation Adjustment Methodology**

A. Adjustments will be made in accordance with the adjustment schedule identified in Section 2., of this Article. The method, which will determine when an adjustment is required and the amount of the adjustment, will be in accordance with the following steps:
<table>
<thead>
<tr>
<th>STEP</th>
<th>PROCEDURE</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>A survey will be conducted using the agencies and criteria identified in this Article. The purpose of this survey is to determine the “Total Compensation” within these agencies as defined in Section 4., of this Article.</td>
</tr>
<tr>
<td>2</td>
<td>After the survey is completed, the top quarter (top three [3]) cities containing the highest “Total Compensation” for the classification of Fire Captain will be selected. These cities will be used to calculate the average “Total Compensation” for each of the classifications of Fire Captain, Fire Apparatus Engineer, and Firefighter.</td>
</tr>
<tr>
<td>3</td>
<td>If required, adjustments will be made to the classifications of Fire Captain, Fire Apparatus Engineer, and Firefighter based on the “Total Compensation” average of comparable classifications in these top quarter (top three [3]) cities. Each classification will be adjusted individually based on the survey results of each classification.</td>
</tr>
</tbody>
</table>

B. Upon determination of the adjustment amount, the adjustment will be applied to salary according to the adjustment schedule. If the survey results reveal the classifications surveyed are at or above the average of the top quarter (top three [3]) agencies—as determined by the compensation adjustment methodology above—no adjustment will be made.
ARTICLE XXVIII

RELEASE TIME

Section 1. Release Time for Authority Business

A. Notwithstanding release time provided under the Meyers-Milias-Brown Act (MMBA), when an Association officer is conducting business on behalf of and in the interest of the Authority, upon mutual agreement of the Assistant Chief of Operations, or in his/her absence, the Deputy Fire Chief, the President of the Association, and/or the Association Officer(s) shall be released from duty at no expense to the Association.

Section 2. Release Time for Association Business

A. Notwithstanding release time provided under the Meyers-Milias-Brown Act (MMBA), the Authority shall provide a mechanism whereby members of the Firefighter Unit shall contribute holiday compensation hours in lieu of pay to a “Union Time Bank” as outlined in this Section and referenced in Article VI. Such Union Time Bank will be solely maintained as a result of time donated by members of the Firefighter Unit and will be used at the discretion of the Association’s Board of Directors, for conducting Association business.

B. As a result of this Agreement being ratified by the members of the Firefighter Unit, employees within the Firefighter Unit shall donate time as provided in Article VI, Sections 2.A.1., 3.A.1., and 3.A.2.

C. Holiday hours will not be donated if the Union Time Bank exceeds ten thousand two hundred (7,210,000) hours. The Authority shall apply the following steps in processing the donations:

1. Donated hours will be converted to dollars based on the employee’s current hourly base rate.

2. For administrative purposes, the Union Time Bank balance will be determined by taking the current account balance (in dollars) in the Union Time Bank and dividing by the current top step Fire Captain base rate.

3. Donations will be accepted until the balance exceeds the equivalent of ten thousand two hundred (7,210,000) hours for holiday donations. Prior to a holiday donation, the following calculation will be used to determine if donations will be accepted:

   a. Calculate the current Union Time Bank account balance by dividing the current balance (in dollars) by the current top step Fire Captain base rate.

   b. If the balance is less than ten thousand two hundred (7,210,000) hours, donations will be processed.

   c. If two (2) holidays occur within a pay period, each will be calculated and processed separately.
d. No partial donations will be processed. This process requires either all the employees will donate or none will donate.

4. Usage of the Union Time Bank will be determined by calculating the individual user's current hourly base rate and multiplying that amount by one and one-half (1.5) to determine the hours charged.

5. This donation requirement will not apply to the two (2) hour spring holiday compensation, as identified in Article VI, Section 2.A.3. and Section 3.A.6.

D. The Association shall notify the Authority of the intended number of hours for use prior to such use.

E. The rate of hours used by the Association will be based on the specific employee's classification and hourly costs to backfill for that classification as identified in Section 2.C.4., of this Article.

F. All donations will be irrevocable.

Section 3. Release Time for the Association President or Officers

A. It is recognized and agreed that there are times when the OCFA's interest and the Association's interest are aligned, and it would be in the parties' best interest to collaborate collectively to achieve certain legislative agendas or develop strategies to address other issues. To accomplish this collaboration the parties recognize the need to have the Association President and/or various officers of the Association be released from duty in order to utilize their knowledge and expertise to promote mutually beneficial local, state, and federal legislative initiatives. Therefore, the parties agree as follows:

1. The OCFA will provide up to 2038 hours of release time per calendar year for use by the Association President or officer(s) to pursue matters of common interest. The Association agrees to make an additional 874 hours available from the Association's "Union Time Bank" for this purpose.

2. The Association President or officers will be treated as though they are on an authorized, paid leave of absence while utilizing release time.

3. During the term of this agreement, the Association President will report to the Assistant Chief of Operations and provide quarterly activity reports on release time usage for matters identified as being of mutual interest.

4. The Association President and officers will be required to maintain certifications and complete all mandatory training required by rank and assigned duties.

5. The Association President will continue to be eligible for voluntary backfill assignments through the staffing system. However, he/she will be exempt from forced hire for non-emergency backfill assignments.

6. The Association President and officers shall not engage in activities that promote or oppose the election of any public official or the support or
defeat of any ballot measure during their regularly scheduled shifts for which they are using OCFA provided release time.
EFFECT OF AGREEMENT

The parties agree that the agreements identified as “side letters,” which have been entered into prior to the effective date of this Agreement, are no longer in effect except as provided in Appendix B.

BETWEEN
ORANGE COUNTY PROFESSIONAL FIREFIGHTERS ASSOCIATION, IAFF LOCAL 3631
AND
ORANGE COUNTY FIRE AUTHORITY

The Orange County Fire Authority (OCFA) and the Orange County Professional Firefighters Association, IAFF Local 3631 (OCPFA) enter into this Agreement which establishes the limited change in working conditions for those members of the Firefighter Unit who voluntarily accept the added duties of Crane Operator at Fire Station 33. The parties have agreed to the following:

1. The Crane Operator Program shall be managed by the OCFA and the OCFA shall have the sole right to determine the number of crane operators.

2. Members of the OCPFA who hold an Airport Rescue Fire Fighting (ARFF) certification may volunteer for training. The OCFA shall have the sole right to determine who is selected for training and assignment as a crane operator.

3. The OCFA shall pay all associated training and certification costs.

4. OCPFA members volunteering for this assignment shall be free to discontinue their services at any time by informing their supervisors in writing that they no longer wish to operate the crane.

5. OCPFA members shall only operate the crane while on duty and working as a firefighter for the OCFA.

6. The OCFA shall incur all cost and liability associated with operation of the crane.

7. Members of the OCPFA shall restrict their operation of the crane to those duties that relate directly with emergency ARFF work (e.g. removing planes or parts of planes from the runway).

8. At no time shall OCPFA members engage in work normally and customarily done by other unionized crane operators such as loading or off-loading trucks, lifting air conditioners, etc.

9. OCPFA members will be fully apprised of the ramifications of drug and alcohol testing as required under the statues governing the operation of cranes and certification of crane operators.

10. OCPFA members will be notified a minimum of thirty (30) days prior to testing. Testing shall be voluntary and shall be done in accordance with the Federal Department of Transportation testing for motor vehicle operators except there shall be no random testing in the Crane Operator Program.

11. Disputes regarding the application or interpretation of this Agreement shall be processed through the normal grievance process.

The intent of the Crane Operator Program is to provide the County of Orange with a value-added service of rapid plane removal or other emergency rescue work. Both parties agree to discuss, as needed, the merits of the Crane Operator Program and consider recommended changes to the Program.
MEDICAL OPERATIONS SKILLS MAINTENANCE AGREEMENT

This Agreement is entered into between the Orange County Fire Authority (OCFA) and the Orange County Professional Firefighters Association, IAFF Local 3631 (OCPFA) regarding the OCFA’s paramedic program. This Agreement sets forth the additional working conditions for those personnel represented by the OCPFA who voluntarily accept the duties associated with the OCFA’s paramedic program.

The OCFA and the OCPFA agree to implement a system-wide procedure to monitor, maintain, and enhance paramedic skills. This procedure is described in detail in Standard Operating Procedures OM 210.35. Procedures which identify critical paramedic skills, processes for monitoring those skills, and methods of ensuring that all licensed paramedics have the ability to perform the identified critical skills are outlined in OCFA Standard Operating Procedures OM 210.35. Paramedics whose sponsorship is suspended or revoked will have the same due process rights as outlined in Article VIII of MOU regarding suspensions, reductions, and discharges.

This Agreement shall become effective upon publication and distribution of Standard Operating Procedures OM 210.35 to all fire stations within the OCFA and shall remain in effect until June 30, 2012, unless changed by mutual agreement between the parties.

HEALTH PLAN AGREEMENT
by and between
The Orange County Fire Authority
and
The Orange County Professional Firefighters Association, Local 3631

IN CONSIDERATION OF the mutual covenants, promises and conditions set forth herein below and pursuant to Article XIII, Section I, of the Parties' 2000-2014 Memorandum of Understanding (MOU), the Orange County Fire Authority ("Authority") and Orange County Professional Firefighters Association, Local 3631 ("OCPFA") agree as follows:

1. The term of this Agreement shall begin on January 1, 2010 and will terminate at 12:00 a.m. on December 31, 2016.

2. Employees' contributions, towards health plan premiums shall be determined by OCPFA, but shall not fall below the percentage of employee contributions in effect in 2008 for Kaiser coverage and Blue Cross coverage. For employees who are on approved Family Leave pursuant to the Parties’ MOU and applicable law, the OCPFA shall continue to pay health insurance premiums to the same extent the Authority would be required under applicable law.

3. The Authority shall contribute to an OCPFA medical benefit trust fund the following amounts for provision and administration of health and related benefits:

   a. The Authority shall contribute toward health benefits (including medical, dental, vision, life and disability insurance benefits) $1,279 per month effective January 1, 2011 for each actively employed enrollee member of the Firefighter Bargaining Unit, $1,344 per month effective January 1, 2012 for each actively employed enrollee member of the Firefighter Bargaining Unit, $1,466 per month effective January 1, 2013 for each actively employed enrollee member of the Firefighter Bargaining Unit, $1,598 per month effective January 1, 2014 for each actively employed enrollee member of the Firefighter Bargaining Unit, $1,742 per month effective January 1, 2015 for each actively employed enrollee member of the Firefighter Bargaining Unit and $1,900 per month effective January 1, 2016 for each actively employed enrollee member of the Firefighter Bargaining Unit, for the term of this agreement.

4. OCPFA shall maintain a medical benefit trust fund for the sole purpose of providing health/dental/disability benefit plans, which may include medical prescriptions, vision care, life and/or disability insurance, ("Health Benefit Plans"), for employees and retirees in the Firefighters’ Unit. Said medical benefit trust fund shall be administered by medical benefit trustee(s) designated by OCPFA. Funds in said medical benefit trust fund shall not be co-mingled with other OCPFA funds. It is intended that the administration of the Health Benefit Plans by the trust fund shall not survive the expiration of this Agreement without mutual written consent of the Parties.

5. The OCPFA agrees to return to OCFA the amount of $2,000,000 from the medical benefit trust fund. The return of these funds shall occur in two increments as follows: $500,000 within 10 days from July 1, 2011, and $1,500,000 within 10 days from July 1, 2012.

6. Beginning with the calendar year ending December 31, 2009 and every year thereafter, OCPFA shall return any excess fund balance being held in the Trust (excluding the 1% Supplemental Benefit Investment Account) as of December 31 to OCFA. Excess fund balance shall be defined as any amount that exceeds four-times the total insurance premiums minus the
employee’s share of the premium contribution paid for the month of December (per the OCPFA Premium Accounting for December 1) for the year just ended. Payment by OCPFA to OCFA of the excess fund balance shall occur within 30 days following completion of the annual audit conducted by OCFA’s auditors of the OCPFA Medical Benefit Trust.

7. Health Benefit Plans provided through the medical benefit trust fund shall be made available by OCPFA to all employees in the representation unit and retirees of the representation unit on an equal basis regardless of membership status. Employees must sign a written authorization for deductions. Annual predetermined rate increases shall be automatically adjusted with the approval of OCPFA, without a requirement for new payroll deduction forms.

8. The level of benefits for each type of plan shall be substantially similar to those provided by the Authority for employees not in the Firefighters’ Bargaining Unit during the 12 month period immediately preceding this Agreement.

9. Health Benefit Plans must receive prior approval from the Human Resources Director or the Deputy Fire Chief whose approval shall not be unreasonably withheld. Group policies must be designated as such in the California Insurance Code and issuance must be lawful in this state. Retirees who move out of the group plan area and, therefore, may not be eligible to participate in the group plans, may enroll in a qualified individual plan. Retirees in such individual plans are eligible for retiree medical grant funding under the same conditions as applied to group plan members, provided that they submit a valid proof of payment, i.e. payroll stub showing payroll deduction for insurance or a copy of an insurance invoice accompanied by the paid check used for payment.

10. All costs of providing and administering the Health Benefit Plans shall be the sole responsibility of OCPFA. The Authority shall not be responsible for any cost of providing or administering said plans in excess of the amounts specified in this Agreement. The use of OCFA contributions to cover the administrative costs of the program shall not exceed $50,000 during calendar year 2009. Each calendar year thereafter, the maximum amount of administrative costs funded using OCFA contributions will be adjusted by the annual percentage change in the Medical Care Services CPI for all urban consumers as of November for the preceding year (i.e., the 2010 administrative fee will be adjusted by the annual change in CPI between November 2008 and November 2009). Administrative costs are defined as costs incurred as a result of administering said plans exclusive of premium payments. The Authority shall continue to take deductions from employees’ pre-taxed earnings in accordance with Section 125 Plan of the Internal Revenue Code.

11. OCPFA will be responsible for ensuring that best investment practices shall be used in accordance with applicable laws and regulations when investing the Trust’s funds.

12. OCPFA will be responsible for all accounting practices relating to the disbursement of all trust funds. Accounting practices will be in accordance with industry standards.

13. Upon completion of the annual audit, OCPFA shall provide the Authority with a copy of the annual audit within 30 days of the report’s issuance. The annual audit report shall include actual cost of Health Benefit Plan premiums, total amount of contributed funds spent on all plans, and details of how all remaining contributed funds are spent or administered. As used in this Agreement, “remaining contributed funds” means any part of the Authority’s contribution that has not been spent on health benefit premiums. All books and records related to the administration and provision of such plans shall be available to audit and/or inspection by the Authority or its agents upon request and a 30-day notice.
14. All regular, full-time, limited-term or part-time (at least twenty (20) hours per week) or probationary employees in classifications represented by OCPFA shall be eligible and offered an opportunity to enroll in the OCPFA plan options. No such employee shall be eligible for Authority-provided Health Benefit Plans.

15. Any employee who retires while in the OCPFA bargaining unit and who is otherwise eligible under the Authority’s retiree medical benefit plan shall have coverage available from the OCPFA Health Benefit Plan. No such employee shall be eligible for Authority-provided Health Benefit Plans.

16. OCPFA shall have an open enrollment at least once a year.

17. The waiting period for Health Benefit Plan coverage of new employees may not exceed sixty (60) days.

18. OCPFA may not terminate its Health Benefit Plans during the term of this Agreement. If OCPFA or health provider terminates Health Benefit Plan coverage, the Authority will terminate its contribution for the medical benefit trust fund 30 days prior to plan termination unless OCPFA provides a suitable replacement plan approved by the Human Resources Director or the Deputy Fire Chief whose approval shall not be unreasonably withheld.

19. Employees eligible for coverage under an OCPFA plan as a result of change of Authority representation unit shall be enrolled without regard to pre-existing conditions of illness or injury for plan benefits for themselves and their enrolled dependents. Employees eligible for coverage under an Authority health plan as a result of change of Authority representation unit shall be enrolled without regard to pre-existing conditions of illness or injury for plan benefits for themselves and their enrolled dependents.

20. In the administration and provision of health care plans, OCPFA shall comply with COBRA, HIPAA and all other applicable state and federal laws and regulations to the same extent the Authority would be required to comply.

21. OCPFA shall comply with all laws applicable to health and welfare benefit, and/or medical or similar benefit, trust funds and the administration and management thereof.

22. Any dividends paid, premiums refunded or other rebates or refunds made under any plan or policy shall be the property of the Authority; provided, however, that said funds will be transmitted to the OCPFA medical benefit trust fund for medical benefit trust fund purposes.

23. OCPFA shall take all steps necessary to ensure the confidentiality of Health Benefit Plan user information.

24. Plan eligibility shall terminate at the end of the calendar month in which any of the following occur:

25. The provisions of the Agreement shall not be subject to the grievance and arbitration provisions of the Parties’ separate Memorandum of Understanding.

27. OCPFA shall defend, indemnify and hold the Authority harmless from any claims or legal action arising out of, or in any way related to, Health Benefit Plans administered and/or provided pursuant to this Agreement. This obligation shall not arise with respect to any claim or legal action brought by OCPFA or employees concerning coverage overlap between the respective Authority and OCPFA plans.

28. This Agreement is the entire, integrated agreement with respect to the subject matter hereof, and supersedes all prior and contemporaneous oral and written agreements and discussions. The Parties also agree that no modification of this Agreement shall be valid unless it is in writing and signed by all of the Parties to this Agreement.

The Orange County Fire Authority (OCFA) and Orange County Professional Firefighters Association, IAFF Local 3631 (OCPFA) enter into this Agreement which sets forth the eligibility for retiree health care benefits for employees that transitioned to the OCFA from the Santa Ana Fire Department on April 20, 2012.

1. Former Santa Ana Fire Department employees who retired from the California Public Employees’ Retirement System (CALPERS) within 120 days of separation from the City of Santa Ana will not be eligible for retiree health benefits provided by the OCPFA Health Care Trust. Upon separation from OCFA, these retirees are eligible for retiree health benefits from a CALPERS administrated plan.

2. Former Santa Ana Fire Department employees who retire from California Public Employees Retirement System greater than 120 days from separation from the City of Santa Ana are not eligible for retiree health care benefits from a CALPERS administrated plan. Upon separation from OCFA these retirees will be eligible for retiree health benefits from a plan administered by the OCPFA Health Care Trust.

3. The Orange County Fire Authority will not incur any costs as a result of this agreement.

4. Retiree health benefits are defined as health, dental and vision insurance.

5. This agreement shall only apply to employees within the OCPFA bargaining group.
On September 25, 2003, the OCFA Board of Directors approved the Fire Service Joint Labor and Management Wellness-Fitness Initiative (WEFIT). This program is a partnership between the Orange County Fire Authority (OCFA) and the Orange County Professional Firefighters Association-IAFF, Local 3631 (OCPFA). In an effort to maintain an effective WEFIT program that will improve the well-being and quality of health for OCFA employees, the parties agree as follows:

1. The WEFIT Program is mandatory/non-punitive. The OCFA shall provide all five (5) of the following aspects of the WEFIT Program:
   - Medical
   - Fitness
   - Medical/Fitness/Injury Rehabilitation
   - Behavioral Health
   - Data Collection and Reporting

   No disciplinary action will be imposed on an employee solely based on his/her participation or non-participation in any portion of the WEFIT Program.

2. The employee retains the option of having any portion of the physical examination provided by the OCFA's medical provider, or by a physician of the employee's choice at the employee's expense. The employee’s physician can provide such results directly to the OCFA's medical provider. Both parties agree to take positive steps to promote the WEFIT program and encourage employee participation in the physical examination and fitness testing process. However, the employee retains the option to not participate.

3. Employees will be scheduled for the physical examinations and fitness tests during work time, for which they will be compensated. Should circumstances arise which require the employee to be scheduled or rescheduled during off work time, employees will be compensated for the time spent participating in the physical examination and fitness testing process.

4. Medical information collected during the physical examination and fitness testing process will be confidential. OCFA’s medical provider will retain medical records and the examining physician will only share the specific details of the examination results with the employee. Aggregate physical examination and fitness testing data will be provided to the OCFA and OCPFA in accordance with the WEFIT initiative.

5. The fitness for duty standards applied to employees will remain unchanged. The OCFA may require medical and fitness for duty evaluations when there is sufficient cause for said evaluations. (i.e., returning to duty after medical or injury absence.)

6. The WEFIT program includes an on-duty exercise program. Participation in the on-duty exercise program is encouraged and both parties agree to take positive steps to promote the fitness program and encourage employee participation. However, the employee retains the option to not participate. No discipline will be initiated against an employee for not participating in the program.
7. Immunization records will be kept in confidence by the OCFA Occupational Health Nurse and forwarded to the employee’s medical files at UCI/Center for Occupational and Environmental Health. The OCFA Occupational Health Nurse will keep and maintain these records in accordance with all applicable local, state, and federal laws, including the Health Insurance Portability and Accountability Act of 1996 (HIPPA). Access to the immunization records stored by OCFA will be restricted to only the Occupational Health Nurse and will not be released without a written consent from the employee. The employee shall have access to and receive a copy of their records upon request. The sole purpose of keeping and maintaining these records is to ensure that all applicable vaccinations and screening records are kept current for those persons participating in this program.

8. Results from blood titers for Hepatitis B will be sent directly to the employee and the OCFA Occupational Health Nurse who is the coordinator of the WEFIT Immunization Program. The blood titers are for purposes of determining levels of antibodies so that a determination can be made on whether the vaccine(s) are necessary. The Hepatitis C screening results will be sent directly to the employee and UCI/Center for Occupational & Environmental Health and not sent to the OCFA Occupational Health Nurse/Immunization Coordinator.

9. An eight (8) member WEFIT Oversight Committee, co-chaired by the OCFA and the OCPFA, will oversee the WEFIT program. Each co-chair shall choose two (2) voting members and one (1) alternate. The additional members of the committee will be nonvoting-members, and will consist of one (1) representative from each of the following groups: Chief Officers Association (COA), and the Orange County Employees Association (OCEA).

The respective chairpersons shall have veto power over any issue that comes before the committee. Issues that are vetoed by a chairperson shall then be moved to the traditional arena of labor/management relations.
1. Upon presentation to the OCFA by the OCPFA of a written plan document consistent with the terms of this provision, the OCFA will deduct from all regular, limited-term, part-time (at least twenty [20] hours per week), and probationary employees one (1) percent of their base salary to be deposited into an OCPFA Supplemental Retiree Medical Plan (Plan) trust fund which will serve as a supplement to the OCFA’s Retiree Medical Insurance Grant Program. The trust will be identified as the OCPFA Supplemental Retiree Medical Plan and will be separate and apart from the OCFA’s Retiree Medical Insurance Grant Program and will be for the sole purpose set forth in paragraphs 2. and 3.

2. The OCPFA will provide a Plan benefit for: (a) all members of the Firefighters Unit and, (b) all members leaving the Firefighter Unit who remain employed elsewhere by the OCFA and who sign authorization statements permitting deductions of one percent (1%) of their base salary to be used for that purpose. Members of the Firefighter Unit consist of employees in those positions set forth in Appendix A of this MOU and any position subsequently added to the Unit.

3. The Plan shall be used solely for the purpose of reducing the cost of OCPFA provided health insurance to members of the Unit who retire on or after April 1, 2002. The Plan shall be used to reduce the cost for members of the Firefighters Unit who retire on or after April 1, 2002 or for other individuals eligible to participate in the Plan of either (a) OCPFA-provided health insurance or (b) other health insurance acceptable to the Authority; the Plan shall not be used to reduce the cost of non-health benefits, including but not limited to life insurance.

4. The Plan, the amount of the benefit provided thereunder, and all costs of providing and administering such Plan shall be the sole responsibility of the OCPFA. Except for the obligation to transmit funds to the Plan trust, the OCFA shall not be responsible for any other matter related to the Plan including any cost of providing or administering said Plan. In the administration of this Plan, the OCPFA shall be responsible for coordinating the benefit provided herein with the Orange County Employees Retirement System to ensure that the benefit is not paid in cash to the retiree.

5. The OCPFA shall provide the OCFA with a copy of an annual audit of administering the Plan. The annual audit report shall include actual cost of the Plan, expenditures, and details of how all funds are administered. All books and records related to the administration and provision of such Plan shall be available for audit and/or inspection by the OCFA or its agents upon request and a thirty- (30) day notice.

6. The OCPFA represents that it is or has created an Internal Revenue Code Section 501(c)(5) and/or (9) entity, and that it has created a Voluntary Employees Beneficiary Association within the meaning of the Internal Revenue Code such that the one (1) percent of base salary may be treated as non-taxable compensation. The OCFA is relies on the representation of the OCPFA and on the OCPFA’s compliance with all laws and regulations relating to the provision of the benefits provided herein on a pre-tax basis.

7. The OCPFA shall defend, indemnify, and hold the OCFA harmless from any claims, costs, or legal action arising out of or in any way related to the Plan administered
and/or provided herein. The OCFA shall have the right to select counsel for any defense hereunder. Claims, costs, or legal action shall include, but not be limited to, fees, penalties, and damages claimed by employees, retirees, or government agencies.

8. Any dividends paid, premiums refunded, or other rebates or refunds made under any plan or policy shall be the property of the OCFA; provided, however, that said funds will be transmitted to the OCPFA for the Plan trust fund purposes.

9. The provisions of this Appendix shall not be subject to the grievance and arbitration provisions of this MOU.

10. The one (1) percent of base salary used to fund the benefit herein shall be considered as part of the base salary for purposes of determining “Total Compensation” pursuant to Article XXVII of the MOU.

11. This Appendix shall terminate upon the occurrence of any of the following events: (a) written request by the OCPFA, (b) dissolution of the trust fund, or (c) cessation of trust fund benefits.
The Orange County Fire Authority (OCFA) and the Orange County Professional Firefighters Association, IAFF Local 3631 (OCPFA) enter into this Agreement on the subject of a Canine Disaster Search Specialist (CDSS) Program as follows:

1. **Participation:** Participation in the CDSS Program will be opened to employees in the Firefighter Unit, represented by the OCPFA. Participation in the CDSS Program by an employee in the Firefighter Unit is entirely voluntary. The OCFA retains the right to establish minimum performance standards in consultation with the OCPFA.

2. **Selection:** Selection of Canine Disaster Search Specialists will be made by the National Disaster Search Dog Foundation following its established process.

3. **Ownership of Canine/Responsibility and Care:** Ownership of the canine will rest with the National Disaster Search Dog Foundation (SDF). The SDF will provide the canine at no cost to the CDSS. The SDF will provide initial training at its facilities with the OCFA to cover overtime, backfill, per diem, and travel expenses. The CDSS has the responsibility for feeding, grooming, handling, and training of the canine. The OCFA will provide for a veterinary pet insurance policy and pay any deductible to cover routine veterinary care including inoculations, flea shots, rabies vaccinations, and other ordinary expenses related to the care of the canine.

   The OCFA may assume responsibility for paying additional veterinary expenses not covered by the pet insurance policy, but only in the case of injury or illness to the canine that occurred while the canine was providing services for the CDSS Program.

4. **Compensation for Incident-Related Activities:** Participants in the CDSS Program will be compensated for all incident-related activities at the shift hourly rate in accordance with Article I, Section 4.D of the Firefighter Unit Memorandum of Understanding.

5. **Compensation for Training:** Each CDSS will receive up to a maximum of eight (8) hours of training per pay period for documented-routine training. Required training such as participation in certification testing will be compensated in addition to the eight (8) hours of routine training with approval of the US&R Program Manager and in accordance with existing OCFA policy.

6. **Use of Personal Vehicle:** Participants may use their private vehicles for training purposes in the CDSS Program and for transportation of canines. Personal vehicle use and mileage reimbursement will be in accordance with the OCFA’s policy for mileage reimbursement (SOP AM 106.03).

7. **CDSS Program Training and Response Guidelines:** A committee consisting of CATF-5 search personnel and Canine Disaster Search Specialist(s) will recommend training, participation, performance, and response criteria guidelines for the CDSS Program within ninety (90) days of completion of basic canine training.

8. **Length of Participation in Program:** Employees selected to participate in the CDSS Program will be allowed to participate as long as training requirements, performance standards, and certification timelines are met.
9. **Authorized Work:** Participants in the CDSS Program will perform CDSS work for the OCFA and be an available asset for the Office of Emergency Services, Federal Emergency Management Agency, and any other public agency that the Battalion Chief/Program Manager authorizes.

10. The CDSS Program will be funded through the US&R Cooperative Agreements and will be terminated if and when funding from the federal government ends. The CDSS Program may also be terminated at the discretion of either party upon giving thirty (30) days written notice.

11. **Compensation for Care of Canine:** Employees who are assigned to CDSS position are entitled to compensation for the off-duty hours spent caring, grooming, feeding and training their canine and maintaining their canine. The parties acknowledge that the Fair Labor Standards Act, which governs the entitlement to compensation for off-duty canine duties, entitles the parties to agree to a reasonable number of hours per month for the performance of such duties.

The Fair Labor Standards Act also allows the parties to agree on appropriate compensation for the performance of such off-duty canine duties. It is the intent of the parties through the provisions of this article to fully comply with the requirements of the Fair Labor Standards Act. In addition, both parties believe that the following agreement does comply with the requirements of the Fair Labor Standards Act. Canine officers normally spend approximately fifteen (15) hours per month performing off-duty work related to their canines, which is different from their regular assignment. As such, it is agreed that canine officers will receive additional compensation of fifteen (15) hours per month at 2/3rds their regular hourly rate of pay at time and one-half for the off-duty canine duties as described herein. This compensation shall be considered and reported as compensation earnable to the extent permitted by County Employees Retirement law.

Employees assigned as CDSS who are required to perform extraordinary off-duty canine care, such as a veterinary emergency or other rare occurrence, which causes a substantial increase in the normal off-duty hours worked for that month, shall submit a written request to the US&R battalion chief/program manager for additional compensation for the hours spent performing such work.

CDSS personnel shall be reimbursed for all normal and customary expenses associated with canine care. This shall include, but not be limited to, food, kennels, carriers, training items such as snacks, toys, leashes, etc.
There shall be no changes to the following Standard Operating Procedures and General Order during the term of the MOU without mutual agreement.

**Note:**

An exception to the requirement for mutual agreement to changes is not required for SOP HR 05.01 if the changes are driven by Federal, State, or Local EMS Agencies.

1.  The official workweek for full-time employees assigned to shift positions shall be fifty-six (56) hours average duty per week based on a three (3) platoon schedule. A part-time employee assigned to a shift position shall work less than a regular full-time shift schedule.

2.  The official work period for full-time employees assigned to staff positions and full-time Fire Division Chiefs shall start on a Friday and end on the second Thursday thereafter. Staff employees and Fire Division Chiefs are not governed by the customary eighty (80) hour work period and may be expected to work more than eighty (80) hours in a given work period or allowed to work less than eighty (80) hours pursuant to the specific dictates of the assignment. The Fire Chief shall regulate said work periods based on the needs of the Authority with due regard to maintaining reasonable and equitable work periods for all employees.

3.  The official workweek for a part-time employee (staff or Fire Division Chief) shall be less than a full-time employee. The official work period shall start on a Friday and end on the second Thursday thereafter.

B.  Battalion Chiefs Assigned to Shift Duty Work

Battalion Chiefs assigned to shift duty work (the 56 hour average workweek) shall be based on a three (3) platoon schedule. The work period is a twenty-four (24) day FLSA work period in accordance with Section 7(k) of the FLSA. Notwithstanding the FLSA work period, all employees in this unit qualify as exempt from overtime as provided by the FLSA. Any overtime provided in this MOU is per this MOU, not the FLSA.

C.  Employees Not Assigned to the 56 Hour Average Workweek – Staff Employees

The workweek for employees (Battalion Chiefs and Division Chiefs) who are not assigned to the average of 56 hour workweek shall be 40 hours per week. The work period for such employees shall be fourteen (14) calendar days in accordance with Section 7(k) of the FLSA. These employees shall be entitled to two (2) regularly scheduled consecutive calendar days off. The FLSA work period shall run concurrently with the pay period.

The Authority agrees to give these employees a seven (7) calendar day advance notice of a shift change whenever practicable.

If the shift schedule for particular calendar year shows that the same shift would be scheduled to work on December 24 and 25th, the Association will advise the Authority how it wants the shifts changed prior to printing of the shift calendar for that year which typically occurs in November. The change will be accommodated as long as shifts being changed are in the same 24-day FLSA work period, do not cause one shift to work three shifts in a row and do not go into the next calendar year.

C. 9/80 or 4/10 Work Schedules for Employees Assigned to Staff Positions

1. Based on operational needs, the Authority shall determine which staff positions are eligible to work a 4/10 work schedule. Otherwise the work schedule shall be a 9/80 work schedule.

They are expected to return to their duty station after class or arrange for time off, in advance, through normal procedure. 3. Staff employees attending approved training shall be considered on-duty and will be compensated at one and one-half (1.5) times the employee’s base hourly rate for any time worked in excess of their normal duty hours.

4. When an employee is attending approved training that is not within Orange County, or within a reasonable travel distance of Orange County for a period of time consisting of four (4) or less consecutive calendar days, the employee’s normally assigned fifty-six (56) hour shift shall remain the same. On employee’s assigned off-duty day, they shall be compensated for actual class time plus reasonable travel time.
5. When an employee is attending approved training that is not within Orange County, or within reasonable travel distance of Orange County for a period of time consisting of five (5) or more consecutive calendar days, the employee will be reassigned to a forty (40) hour workweek for the duration of the training. The Authority shall ensure that there is no loss of hours or compensation from the employee’s normal salary due to the change from a fifty-six (56) hour average duty week to a forty (40) hour workweek.

6. Employees will be granted mileage reimbursement for either in-county or out-of-county training, as per the Authority’s mileage reimbursement policy, when an Authority vehicle is not available. The percentage of sick leave paid shall be computed based on years of continuous service in accordance with Section 1.E.3.a. of this Article. For example, an employee with a sick leave balance of four hundred (400) hours at a base hourly rate of twenty dollars ($20.00) would be paid as follows:

--- Step 1: Calculate sick leave hours eligible for payoff

\[
400 - 280 = 120 \text{ hours}
\]

\[
120 \times \frac{1}{3} = 40 \text{ hours (rounded to the nearest whole hour)}
\]

--- Step 2: Calculate twenty-five (25) percent of employee’s base hourly rate

\[
$20.00 \times 25\% = $5.00 \text{ per hour}
\]

--- Step 3: Calculate sick leave payoff

\[
40 \times $5.00 = $200.00
\]

--- Step 4: Calculate remaining sick leave hours after payoff

\[
400 - 40 = 360 \text{ hours}
\]
b. Effective the first “full” pay period in July 2003 (Pay Period #16), an employee with an accumulative sick leave balance exceeding two hundred eighty (280) hours shall have his/her sick leave balance reduced and paid for in accordance with the following formula:

e. Effective the first “full” pay period in July 2004 (Pay Period #16), an employee with an accumulative sick leave balance exceeding two hundred eighty (280) hours shall have his/her sick leave balance reduced and paid for in accordance with the following formula:

The same ratio shall be applied to eighty (80) hours for a staff employee/Fire Division Chief or one hundred twelve (112) hours for a shift employee to establish the amount of vacation to be credited to the employee’s account as of the conclusion of the pay period in which the fifty-two (52) week period ended.

B. Vacation Credit

1. Vacation credit shall be applied to the employee’s vacation accumulation account only upon completion of each pay period. No credit shall be applied during the progress of any pay period or for any portion of a pay period during which the employee terminates Authority service. C. Maximum Allowable Vacation Credit

1. The maximum allowable vacation credit at any one (1) time for a full-time staff Battalion Chief employee working forty (40) hour workweek, maximum accruals at any one (1) time with less than ten (10) years—or full-time Fire Division Chief with less than ten (10) years—of full-time continuous service shall be three hundred twenty (320) hours—or a prorated amount equal to eight (8) weeks of vacation for part-time employees. The maximum allowable vacation credit at any one (1) time for a full-time staff Battalion Chief employee or full-time Fire Division Chief with ten (10) or more years of full-time continuous service shall be four hundred (400) hours—or a prorated amount equal to ten (10) weeks of vacation for part-time employees. All vacation hours earned in excess of the maximum allowable vacation credit shall be paid in the pay period earned.

2. The maximum allowable vacation credit at any one (1) time for a full-time shift Battalion Chief employee working a fifty-six (56) hour average duty week, maximum accruals at any one (1) time—with less than ten (10) years of full-time continuous service shall be four hundred forty-eight (448) hours or a prorated amount equal to eight (8) weeks of vacation for part-time employees. The maximum allowable vacation credit at any one (1) time for a full-time shift employee with ten (10) or more years of full-time continuous service shall be five hundred sixty (560) hours—or a prorated amount equal to ten (10) weeks of vacation for part-time employees. All vacation hours earned in excess of the maximum allowable vacation credit shall be paid in the pay period earned.

8.6. An employee separating from Authority service for reasons other than paid Authority retirement shall be paid for all accrued vacation in a lump sum payment. An employee who is separating from Authority service by way of paid Authority retirement may elect either to take time off for his/her vacation or to be paid for his/her vacation in a lump sum payment.

9.7. When an employee’s Authority service consists of part-time regular service or a combination of full-time regular and part-time regular service, both periods of service shall apply toward the required ten (10) years of Authority service, with the part-time service being applied proportionately to the appropriate full-time interval.

E. Vacation Time for Transitioning Employees
1. When presenting another agency a proposal for fire protection services, the Authority may offer the agency the opportunity to purchase up to forty (40) hours for staff or fifty-six (56) hours for shift employees of vacation for each employee transitioning to the Authority.

When a former employee of the County of Orange Fire Department or the Authority is reemployed in a regular or limited-term position, the Human Resources Director may apply the total period of previous continuous County and Authority service for the purpose of determining vacation earning rates.

F. Vacation Accrual for Former CDF Employees

1. Employees who, as of July 2, 1980, had three (3) or more years of California Department of Forestry (CDF) service in Orange County immediately preceding their employment by the County, shall accrue vacation based on a total of their Authority and County of Orange continuous service added to their California Department of Forestry time worked within Orange County.

D. Finding of Facts and Remedies

1. An arbitrator may sustain, modify, or rescind an appealed disciplinary action as follows and subject to the following restrictions:

   a. All Disciplinary Actions

      i. If the arbitrator finds that the disciplinary action was taken for reasonable cause, he/she shall then determine if the disciplinary action imposed on the employee was appropriate. The arbitrator shall have the right, and the responsibility, to modify the discipline if, in his/her opinion, it is not appropriate.

   b. Suspension/Reduction

      i. If the action is modified or rescinded, the appellant shall be entitled to restoration of pay and/or fringe benefits in a manner consistent
with the arbitrator’s decision and consistent with Section 6.E. of this Article.

If the arbitrator finds that the order of discharge should be modified, the appellant shall be restored to a position in his/her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the appellant was removed from duty, as determined by the arbitrator and consistent with Section 6.E. of this Article.

ii. If the arbitrator finds that the order of discharge should be rescinded, the appellant shall be reinstated in a position in his/her former class and shall receive pay and fringe benefits for all of the period of time he/she was removed from duty and consistent with Section 6.E. of this Article.

E. Restriction on Remedies

1. Restoration of pay and benefits shall be subject to deduction of all unemployment insurance, applicable taxes and withholdings, and outside earnings the appellant received since the date of discharge.

   b. In the event the arbitrator finds discrimination but also finds such discrimination was not a substantial cause of the employee’s probationary release, the appeal shall be denied, and the issue of remedy becomes moot.

   c. In the event the arbitrator finds discrimination and also finds such discrimination was a substantial cause of the probationary release of the employee, the arbitrator’s award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:

      • The probationary release may be sustained.
The employee may be reinstated in a position in his/her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

The employee may be reinstated in a position in his/her former class with full back pay and benefits for all the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

Section 7. General Provisions

A. If the appeal is decided by an arbitrator, the appellant and his/her representative shall relinquish any current or future claim to seek or obtain remedy through any other Authority appeal procedures.

B. The cost of an arbitrator shall be shared equally in all cases by the Authority and the appealing party, except when the appealing party solely alleges discrimination, in which case, the Authority shall bear the full cost. When the appeal involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.

C. Appeal hearings by an arbitrator shall be private.

D. Arbitration appeal hearings for suspensions of less than forty (40) hours (if assigned to a staff position or as Fire Division Chief) or less than two (2) twenty-four (24) hour shifts (if assigned to a shift position) shall be limited to one (1) day, unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The one (1) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the Fire Chief.

E. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Conciliation Service, the American Arbitration Association, or some other agreed upon source. Then, each party shall alternately strike one (1) name from the list until only one (1) name remains. The Association shall strike the first name.

F. Upon written request by the opposing party in a pending hearing given at least twenty-eight (28) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the requested copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than fourteen (14) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing, except that any such documentary evidence discovered by a party after such a request for copies—but not soon enough to comply with the above time limits—may be admitted, provided it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal. Both parties agree to provide any
documents (except for rebuttal documents) they plan to offer into evidence at least fourteen (14) days in advance of the disciplinary appeal hearing.

G. **Except for hearing appealing a termination, an** employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable and scheduled in advance.

H. **At the hearing, both the Association and the Authority shall have the right to be heard and to present evidence. The following rules shall apply:**

1. **Testimony shall be provided under oath or affirmation.**

2. Each party shall have these rights: (1) to call and examine witnesses, (2) to introduce exhibits, (3) to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, (4) to impeach any witness regardless of which party first called the witness to testify, and (5) to rebut the evidence against the witness. If the employee does not testify in his/her own behalf, the employee may be called and examined as if under cross-examination.

I. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted, if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule that might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding, unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are or hereafter may be recognized in civil actions. Irrelevant and unduly repetitious evidence shall be excluded.

J. The Authority shall be allowed to have at least one (1) employee who may be called upon to testify as a witness present at the arbitration hearing at all times.

K. The decision of the arbitrator shall be final and binding on all parties.
ARTICLE IX

GRIEVANCE PROCEDURE

Section 1. Scope of Grievances

A. A grievance may be filed if the Association or one of its members believes the Authority has violated, misapplied, or misinterpreted any provision of this MOU, a management interpretation or application of the provisions of this Memorandum of Understanding adversely affects an employee’s wages, hours, or conditions of employment. In addition, disputes involving performance evaluations rated “substandard” and or any Authority procedures that implement specific provisions of this MOU Agreement in the areas of overtime, intradepartmental transfers, vacations, and shift exchanges may be processed through the grievance procedure.

B. Specifically excluded from the Scope of Grievances are:

1. Subjects involving the amendment or change of Board of Directors resolutions, ordinances, or minute orders that do not incorporate the provisions of this Memorandum of Understanding;

2. Matters that have other means of appeal including, but not limited to, matters that may be appealed through the Workers’ Compensation Appeals Board;

3. Position classification;

4. Performance evaluations rated “standard” or above

Section 2. Basic Rules

A. If an employee does not present a grievance or does not appeal the decision rendered regarding his/her grievance within the time limits, the grievance shall be considered resolved.

B. If an Authority representative does not render a decision to the employee within the time limits, the employee may, within fourteen (14) calendar days thereafter, appeal to the next step in the procedure.

C. If it is the judgment of any management representative that he/she does not have the authority to resolve the grievance, he/she may refer it to the next step in the procedure. By mutual agreement of the Authority and the Association, Step 1 of the grievance procedure may be waived.

D. Upon prior written consent of the parties (i.e., the representatives of the Authority and the employee or his/her representative), the time limits at any step in the procedure may be extended.

E. Every reasonable effort shall be made by the employee and the Authority to resolve a grievance at the lowest possible step in the grievance procedure.
F. No claim shall be granted for retroactive adjustment of any grievance prior to ninety (90) calendar days from the date of filing the written grievance at Step 1.

G. The Association shall have the right to a representative present throughout the grievance process.

H. In order to encourage candid discussion and compromise in attempting to resolve grievances, the Authority and the Association agree that the grievance files of the respective parties shall be confidential.

Section 3. Submission of Grievances

A. Any employee or group of employees shall have the right to present a grievance. The Association shall have the right to file grievances on behalf of the general membership; however, when the Association files a grievance on behalf of the general membership, it shall provide the Authority with the names of individuals who have been adversely affected. The Association has the right to grieve and arbitrate issues that solely affect the rights of the Association. No employee or group of employees shall be hindered from or disciplined for exercising this right.

B. If any two (2) or more employees have essentially the same grievance, they may, and if requested by the Authority must, collectively present and pursue their grievance if they report to the same immediate supervisor.

C. If the grievant is a group of more than three (3) employees, the group shall, at the request of the Authority, appoint one (1) or two (2) employees to speak for the collective group.

Section 4. Employee Representation

A. An employee may represent himself/herself or may be represented by the Association in the formal grievance procedure.

B. Authorized grievance representatives shall be designated by the Association to represent employees for purposes of grievance procedures. The Association shall notify the Human Resources Director of the names and titles of such representatives. This notice shall be updated each time a change in designated representative(s) occurs.

Section 5. Time Off for Processing Grievances

A. Reasonable time off without loss of pay shall be given to:

1. An employee who has a grievance, in order to attend a meeting with his/her supervisor or other person with authority to resolve the matter, as prescribed herein.

2. An authorized grievance representative, in order to attend a meeting with the represented grievant’s supervisor or other person with authority to resolve the grievance, as prescribed herein, or to obtain facts concerning the action grieved through discussion with the grievant or other employees.
A grievant must get permission from the person to whom he/she reports before leaving his/her job to perform any work related to the grievance. Permission will be granted if the demands of the job do not prevent it at that time. If that is the case, the employee’s supervisor will grant such permission at a reasonable time in the near future. The following restrictions shall apply in all cases to activity authorized in Section 5.A. of this Article:

1. Before performing grievance work, the grievant or grievance representative shall obtain the permission of his/her supervisor and shall report back to the supervisor when the grievance work is completed.

2. Neither the grievant nor the grievance representative shall interrupt or leave his/her job to perform grievance work, unless his/her supervisor determines that such interruption or absence will not unduly interfere with the work of the unit in which the grievant or representative is employed. However, an effort shall be made to grant such time off as soon as it is feasible to do so.

3. When an authorized grievance representative must go into another section or unit to investigate a grievance, the representative shall be permitted to do so provided that:
   a. The representative checks in and checks out with the supervisor of the unit
   b. Such investigation will not unduly interfere with the work of the unit

Section 6. Informal Discussion

A. If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his/her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively toward settlement.

Section 7. Formal Grievance Steps

A. The grievance procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter, unless waived by mutual consent or as otherwise provided herein.

B. All Step 1 and Step 2 grievances must be submitted to the Human Resources Director, the employee’s Fire Division Chief or Assistant Chief/Department Head (if the grievant is a Fire Division Chief) within the time limits outlined in this Article. If the grievance is submitted to the employee’s Fire Division Chief or Assistant Chief/Department Head (if the grievant is a Fire Division Chief), a copy shall be forwarded to the Human Resources Director. Submission may be via email, mail, hand delivery, or fax; postmarks shall be accepted. Fax deliveries must be received no later than 5:00 p.m. on the last day allowable under the provisions of this Article. A grievance may be filed by an employee or the Association in the name of the employee at the employee’s request.

1. STEP 1: Fire Division Chief or Assistant Chief/Department Head
a. **A grievance must be filed.** If an employee has a grievance, the employee or the Association, on behalf of the employee, may formally submit a grievance to the Human Resources Director, Fire Division Chief, or Assistant Chief/Department Head (if the grievant is a Fire Division Chief) within fourteen (14) calendar days from the occurrence that gives rise to the grievance. A Step 1 grievance shall be heard by a Fire Division Chief or Assistant Chief/Department Head (if the grievant is a Fire Division Chief). In those cases where the Fire Division Chief is the immediate supervisor and is the subject of the grievance, the Fire Division Chief and the Assistant Chief/Department Head shall meet with the grievant within fourteen (14) calendar days the time limit.

b. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within fourteen (14) calendar days after receipt of the written grievance, the Fire Division Chief or Assistant Chief/Department Head shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The written decision at Step 1 shall be signed by the reviewing officer.

2. **STEP 2: Fire Chief, Deputy Fire Chief, or Assistant Chief/Department Head**

a. If the grievance is not settled under Step 1 and it concerns an alleged misinterpretation or misapplication of this Memorandum of Understanding or a substandard performance evaluation, it may be appealed in writing to the Human Resources Director within fourteen (14) calendar days after receipt of the written decision from Step 1. Within fourteen (14) calendar days after receipt of the written grievance appeal, the Fire Chief or, if designated, the Deputy Fire Chief or the appropriate Assistant Chief/Department Head shall meet with the grievant and his/her representative. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant and his/her representative. The decision of the Fire Chief or his/her designee, regarding a substandard performance evaluation, shall be final and binding and shall not be referable to arbitration.

**Section 8. Referrals to Mediation**

A. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may mutually agree to submit a grievance to mediation. A request for mediation may be presented in writing to the Human Resources Director within fourteen (14) calendar days from the date a decision was rendered at Step 2. A request for mediation shall automatically suspend the normal processing of a grievance until the mediation process is completed. The Authority shall respond to a request for mediation within fourteen (14) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal and shall be considered advisory. Should the mediation process not be successful, within fourteen (14) calendar days after completion of the mediation process, an arbitration request may be filed pursuant to Section 9 of this Article.
Section 9. Referrals to Arbitration

A. If a grievance is not resolved under Step 2 or mediation, an arbitration request may be submitted in writing by the Association to the Human Resources Director within fourteen (14) calendar days from the date a decision was rendered at Step 2 or the completion of the mediation process. As soon as practicable thereafter—or as otherwise agreed to by the parties—an arbitrator shall hear the grievance.

B. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

Section 10. General Provisions

A. If the grievance is decided by an arbitrator, the grievant and his/her representative shall relinquish any current or future claim to seek or obtain remedy through any other Authority appeal procedures.

B. The cost of an arbitrator shall be shared equally in all cases by the Authority and the appealing party as noted in B.1 and B.2 of this section. An exception is when the appealing party solely alleges discrimination—in which case, the Authority shall bear the full cost. When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.

C. Grievance hearings by an arbitrator shall be private.

D. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Conciliation Service, the American Arbitration Association, or some other agreed upon source and, each party shall alternately strike one (1) name from the list until only one (1) name remains.

E. Upon written request by the opposing party in a pending hearing given at least twenty-eight (28) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than fourteen (14) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing, except that any such documentary evidence discovered by a party after such a request for copies—but not soon enough to comply with the above time limits—may be admitted, provided it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal. Both parties agree to provide any documents (except for rebuttal documents) they plan to offer into evidence at least 14 days in advance of the grievance appeal hearing.
F.E. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable and scheduled in advance.

G.F. At the hearing, both the Association and the Authority shall have the right to be heard and to present evidence. The following rules shall apply:

1. **Testimony shall be provided under Oral evidence shall be taken only on oath or affirmation.**

2. Each party shall have these rights: (1) to call and examine witnesses, (2) to introduce exhibits, (3) to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, (4) to impeach any witness regardless of which party first called the witness to testify, and (5) to rebut the evidence against the witness. If the employee does not testify in his/her own behalf, the employee may be called and examined as if under cross-examination.

H. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule that might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding, unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now—or hereafter may be—recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

I. The Authority shall be allowed to have at least one (1) employee who may be called upon to testify as a witness present at the arbitration hearing at all times.

J. The decision of the arbitrator shall be final and binding on all parties.
ARTICLE X

LAYOFF PROCEDURE

Section 1. General Provisions

A. This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.

B. Section 6., Reinstatement Lists, and Section 7., Status on Reinstatement, of this Article shall not apply if the Authority has a written agreement with an employer, public or private, that guarantees the Authority employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by Authority employees and the new employer does make such an offer in writing to the employee.

C. This procedure shall not apply to employees who have special or unique knowledge or skills that are of special value in the operation of the Authority business.

Section 2. Order of Layoff

A. The Authority may abolish a position because of change in duties or organization or shortage of work or funds, which, in turn, may require the layoff of one (1) or more employees. When a layoff is implemented, employees in regular positions and those occupying limited-term positions at the direction of the Fire Chief shall be laid off in an order based on consideration of:

1. Employment status
   a. Except as provided in Section 1.C. of this Article, all new probationary employees and employees on temporary promotion shall be removed from the class.

2. Past performance
   a. Any employee whose last regularly scheduled performance evaluation was rated “Substandard” as provided in Article IX, Section 1.A., and who has received a subsequent interim performance evaluation rated “Substandard” shall be subject to layoff before employees subject to Section 2.A.2. of this Article.

3. Length of continuous service
   a. After all new probationary employees, employees on temporary promotion, and employees subject to layoff under Section 2.A.2. of this Article have been removed from a classification within a layoff unit, the employee with the lowest number of service hours within the classification shall be subject to layoff first. When two (2) or more employees have the same number of service hours in the classification, the employee with the lowest number of total service hours shall be subject to layoff first. (09/28/06)
b. Employees transitioned to the Authority from another public fire service agency in Orange County, pursuant to a contractual agreement for the Authority to provide fire services previously provided by the other public fire service agency, may be provided service hours for their employment with the other public fire service agency, for layoff purposes, to the extent permitted by the Agreement set forth in Appendix B. Such seniority shall not be applicable to any other provisions within this Memorandum of Understanding, unless otherwise specifically provided for.

B. Layoffs shall be made by class within the Authority.

C. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his/her former class and shall be subject to layoff in accordance with this procedure.

Section 3. Notification of Employees

A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work, whenever practicable.

B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the workforce is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 4 of this Article.

C. The notice of layoff shall include (1) the reason for the layoff, (2) the proposed effective date of the layoff, (3) the employee’s hire date, (4) the employee’s service hours, (5) a list of classes in the employee’s occupational series within the layoff unit, (6) the employee’s rights under Sections 4 and 5 of this Article, and (7) the right of the employee to advise the Authority of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 4. Voluntary Reduction in Lieu of Layoff

A. An promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit, provided the employee possesses the minimum qualifications for the class, has served in and passed probation in that class with the Authority or a predecessor employer, and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer service hours than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of service hours shall be subject to layoff.

B. 1. Employees who receive notice of layoff shall have five (5) calendar days by personal service at work shall have until the end of their third regularly
scheduled day of work, following actual receipt of the notice, to notify the Authority in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify the Authority in writing of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the employee is personally served, or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following the date of proof of service by mail, to notify the Authority of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

3-2. Failure by an employee to respond to the Authority pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee’s hire date stated in the layoff notice was correct.

4-3. No employee action or inaction referred to in this Section shall be considered a waiver of an employee’s right to file grievances concerning any matter within the scope of the grievance procedure.

Section 5. Voluntary Reduction From Classes Designated as Vulnerable to Layoff

A. An employee in a class designated by the Authority as vulnerable to layoff may request a voluntary reduction to any class, provided the employee possesses the minimum qualifications for the class, has served in and passed probation in that class with the Authority or a predecessor employer, and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on AUTHORITY REINSTATEMENT LISTS pursuant to Section 6.A.3. of this Article.

Section 6. Reinstatement Lists

A. The following persons shall be placed on AUTHORITY REINSTATEMENT LISTS as provided in Sections 6.A.1., 6.A.2., and 6.A.3. of this Article in the order of their respective service hours with the person having the largest number of service hours listed first, except that employees laid off pursuant to Section 2.A.2. of this Article shall be placed in service hours order after all other employees:

1. Persons Laid Off—The names of persons laid off shall be placed on a REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.

2. Persons Exercising Their Rights Under Section 4. of this Article—The names of persons who exercise their rights under Section 4. of this Article
shall be placed on a REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.

3. Persons Who Voluntarily Reduce Under the Provisions of Section 5. of this Article—The names of persons who were voluntarily reduced under the provisions of Section 5. of this Article shall be placed on a REINSTATEMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such Lists.

4. Positions to be filled shall be offered first to persons on the REINSTATEMENT LIST for that class, starting at the top of the List. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications for the class, have served in and passed probation in that class with the Authority or a predecessor employer, and pass any required performance tests for that class.

B. Names of persons placed on the REINSTATEMENT LIST shall remain on the List for two (2) years, except that:

1. A person who, on two (2) separate occasions, rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the Lists for that class.

2. A person who, on three (3) separate occasions, declines referral for interviews in a particular class shall be removed from the Lists for that class.

3. A person who retires from the Authority shall be removed from all Lists.

C. The Lists shall be extended for a period not to exceed one (1) year, if requested by either the Authority or the Association prior to thirty (30) days before the Lists’ expiration dates.

D. REINSTATEMENT LISTS shall be available to the Association and affected employees upon reasonable request.

Section 7. Status on Reinstatement

A. An employee who has been laid off under the provisions of this Article and subsequently reinstated in a regular or limited-term position within a two (2) year period from the date of his/her layoff shall receive the following considerations and benefits:

1. All sick leave credited to the employee's account when laid off shall be restored.

2. All service hours held upon layoff shall be restored.

3. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates and service awards.
4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.

5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay, except that a probation period shall be established as determined by Article III, Section 3.B., if reinstatement is in a higher class or an occupational series different from that employed in at the time of layoff.

B. An employee who has voluntarily reduced under the provisions of this Article and subsequently is reinstated in a regular or limited-term position in the class from which the employee reduced within a two (2) year period from the date of reduction shall receive the following considerations:

1. The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay or at the same point/rate on the salary range as the employee’s salary in the lower class, whichever is higher.

2. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.

C. When an employee is reduced under the provisions of this Article and is subsequently reemployed and reinstated in a class higher than the one from which the employee was reduced, the employee shall be deemed returned to the class from which the employee had been reduced as provided above, and the employee’s salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he/she is being promoted from such class.
ARTICLE XI

ON-THE-JOB INJURIES, WORKERS’ COMPENSATION

Section 1. Medical Treatment

A. Whenever an employee sustains an injury or disability arising out of and in the course of Authority employment that requires medical treatment, the employee shall obtain treatment pursuant to the appropriate California Labor Code sections.

Section 2. Disability Payments and Leave

A. Employees Eligible for 4850 Benefits

1. Disability Payments and Leave

a. Whenever an employee who is eligible for benefits under California Labor Code 4850 is compelled to be absent from duty by reason of injury or disease arising out of and in the course of Authority employment, the employee shall be compensated and placed on Leave pursuant to California Labor Code Section 4850.

2. Exhaustion of 4850 Benefits

a. When an employee has exhausted all rights and benefits provided by California Labor Code Section 4850 and he/she continues to be unable to return to work due to an injury or disease arising out of and in the course of Authority employment, such employee shall be treated in the following manner:

i. He/she shall be entitled to all benefits provided by California Workers’ Compensation Law; and

ii. He/she shall be placed on Workers’ Compensation Leave; and

iii. All sick leave, compensatory time, and vacation shall be added—at the employee’s option—to the workers’ compensation temporary disability benefit, if eligible for such benefit, which shall equal one hundred (100) percent of the employee’s base salary until such accruals are exhausted; or

iv. If the employee is not eligible for temporary disability or exhausts his/her temporary disability benefit—at the employee’s option—such accruals shall be continued until they are exhausted. An election to continue accruals shall be irrevocable.

v. Upon exhaustion of all sick leave, compensatory time, and vacation, the employee shall not accrue sick leave or vacation for the remainder of Workers’ Compensation Leave.
vi. The probation period of any employee who receives workers’ compensation benefits shall be extended by the length of time he/she receives such benefits, except that the first fifteen (15) consecutive calendar days of benefits shall be considered Authority service for completion of the probation period.

vii. Time during which an employee receives workers’ compensation temporary disability benefits shall be counted toward the computation of Authority seniority and determination of sick leave and vacation earning rates.

B. Employees Not Eligible for 4850 Benefits

1. Whenever an employee is compelled to be absent from duty by reason of injury or disease arising out of and in the course of Authority employment, the employee shall receive workers’ compensation supplement pay, which—when added to the workers’ compensation temporary disability benefit—shall equal eighty (80) percent of the employee’s base salary for a period not to exceed one (1) year including holidays.

2. Workers’ compensation supplement pay shall begin the same day as the workers’ compensation temporary disability benefits. Prior to qualifying for workers’ compensation temporary disability benefits, an injured employee may—at his/her option—use any accrued sick leave, compensatory time, and/or vacation, in that order.

3. While an employee receives workers’ compensation supplement pay, no deductions or payments shall be made from any sick leave, compensatory time, or vacation time previously accumulated by the employee. The employee shall not accrue sick leave or vacation credit during the period in which the employee receives workers’ compensation temporary disability benefits.

4. When an injury is determined to be job-related by the Authority or by the Workers’ Compensation Appeals Board, eighty (80) percent of all sick leave, compensatory time, and/or vacation expended since the fourth day of disability shall be restored to the employee’s account(s)—except that if the injury required the employee’s hospitalization or caused disability of more than fourteen (14) days, eighty (80) percent of all sick leave, compensatory time, and/or vacation expended since the first day of disability shall be restored to the employee’s account(s).

5. The probation period of any employee who receives workers’ compensation benefits shall be extended by the length of time the employee receives such benefits, except that the first fifteen (15) consecutive calendar days from the date of the injury shall be considered Authority service for completion of the probation period.

6. When an employee is no longer entitled to receive workers’ compensation supplement pay, the employee may—at his/her option—use sick leave, compensatory time, and vacation, in that order, if the employee is compelled to be absent from duty as set forth in Section 2.B.1. of this Article.
7. Time during which an employee receives workers’ compensation temporary disability benefits shall be counted toward the computation of Authority seniority and determination of sick leave and vacation earning rates.

B. Any employee who either does not receive an answer to a safety-related question from his/her supervisor within three (3) calendar days or receives an answer the employee deems unsatisfactory, may directly contact the designated Authority Safety Officer.

C. Any employee who is directed to perform a task that the employee, in good faith, feels is unsafe may request an immediate investigation from the designated Authority Safety Officer. This would involve securing the equipment directly involved, the immediate area to the incident, and the apparatus directly involved.

Section 2. Safety Inspection

During an inspection of Authority facilities conducted by the appropriate State agency for the purpose of determining compliance with the California OSHA requirements, an Association designated employee shall be allowed to accompany the inspector while the inspector is on site. The employee so designated shall suffer no loss of pay when this function is performed during the employee’s regularly scheduled work hours.
Section 3. Safety Representative

A. The representative One (1) primary safety representative and one (1) alternative safety representative of the Association, who serves as the co-chairperson of the Authority’s Safety & Occupational Health Committee, may be selected by the Association to meet at least once a month, upon request, with the designated Authority Safety Officer and/or the Authority’s Operations Training and Safety Officer to discuss matters affecting employee health and safety.

B. A safety representative who has received a safety or health complaint involving a possible health and safety violation shall be given reasonable time off without loss of pay to gather appropriate information on such complaint, provided that:

1. The safety representative obtains permission from the immediate supervisor prior to performing such duty and reports back to the supervisor when the work is completed.

2. The safety representative shall not be allowed to leave the worksite if, in the opinion of the immediate supervisor, it will unduly interfere with the work of the unit. However, the Authority shall make every attempt to grant such time off as soon as it is feasible to do so.

C. When an authorized safety representative must go into another section or unit to gather said information, the safety representative shall be permitted to do so provided that:

1. The safety representative checks in and checks out with the supervisor of the unit; and

2. The safety representative does not unduly interfere with the work of the unit.

Section 4. Resolution of Safety or Health Complaints

A. If a safety or health complaint is not satisfactorily resolved, the safety representative may request to meet with the designated Authority Safety Officer to resolve the complaint. If the complaint is not resolved, a grievance may be filed.

Between
ORANGE COUNTY FIRE AUTHORITY CHIEF OFFICERS ASSOCIATION
And—
ORANGE COUNTY FIRE AUTHORITY

The Orange County Fire Authority (OCFA) and the Orange County Fire Authority Chief Officers Association hereby agree to implement a one-year pilot program for a 4/10 work schedule for employees in staff positions effective January 14, 2011, as follows:

A. Based on operational needs, the Authority shall determine which staff positions are eligible to work a 4/10 work schedule.

B. If a position is eligible to work a 4/10 work schedule, the employee occupying the position will be given the option to select the 4/10 work schedule or remain on his/her current work schedule.

C. Both parties agree that the Authority retains the right to terminate the 4/10 work schedule at any time based on operational needs.

D. Both parties agree that the Authority retains the right to selectively terminate an employee’s 4/10 work schedule, if the Authority determines employee is not performing to expected standards and a different work schedule is warranted.

E. Upon the pilot program’s one-year completion, the OCFACOA President and the Fire Chief, or his/her designee, will meet and discuss the value of continuing the 4/10 work schedule. The Fire Chief shall retain sole discretion in deciding whether the 4/10 work schedule continues or is terminated.

The parties agree that this agreement and the implementation thereof will not be subject to Article IX - Grievance Procedure of the MOU, or otherwise appealed administratively or in a court of competent jurisdiction.

The Orange County Fire Authority (OCFA) and the Orange County Fire Authority Chief Officers Association hereby agree to resolve all issues concerning employees’ work schedules while they are attending approved training in the following manner:

1. Shift (fifty-six (56) hour average duty week) employees who attend approved training within Orange County, or within reasonable travel distance of Orange County, on their normal duty day, shall receive their normal pay. They are expected to return to their duty station after class or arrange for time off, in advance, through normal procedure. The Authority will backfill for the employee for the period of training plus reasonable travel time. The Authority will make reasonable effort to release an employee who wishes to use his/her own compensated time off rather than return to duty.

2. Shift (fifty-six (56) hour average duty week) employees who attend approved training within Orange County, or within reasonable travel distance of Orange County, on their assigned off-duty day, shall be compensated for actual classroom time pursuant to Article I, Section 4.B of the Memorandum of Understanding.

3. Staff (forty (40) hour workweek) employees attending approved training shall be considered on-duty and will be compensated at one and five-tenths (1.5) times the employee’s base hourly rate for any time worked in excess of their normal duty hours.

4. When an employee is attending approved training that is not within Orange County, or within a reasonable travel distance of Orange County for a period of time consisting of four (4) or less consecutive calendar days, the employee’s normally assigned fifty-six (56) hour shift shall remain the same. The employee shall be compensated for actual class time plus reasonable travel time on their assigned off-duty day pursuant to Article I, Section 4.B of the Memorandum of Understanding.

5. When an employee is attending approved training that is not within Orange County, or within reasonable travel distance of Orange County for a period of time consisting of five (5) or more consecutive calendar days, the employee will be reassigned to a forty (40) hour workweek for the duration of the training. The Authority shall ensure that there is no loss of hours or compensation from the employee’s normal salary due to the change from a fifty-six (56) hour average duty week to a forty (40) hour workweek.

6. Employees will be granted mileage reimbursement for either in-county or out-of-county training, as per the Authority’s mileage reimbursement policy. When an Authority vehicle is not available, the cost of air travel to the same location will determine the amount to be reimbursed (instead of mileage) at the discretion of the Authority.

7. The Authority will allow employees reasonable travel time to attend training.

BETWEEN
ORANGE COUNTY FIRE AUTHORITY CHIEF OFFICERS ASSOCIATION,
ORANGE COUNTY PROFESSIONAL FIREFIGHTERS ASSOCIATION, IAFF LOCAL

AND
ORANGE COUNTY FIRE AUTHORITY
TERM OF THE AGREEMENT: SEPTEMBER 28, 2006 THROUGH June 30,
2020
DECEMBER 11, 2013
PAGE 1 OF 2

IN CONSIDERATION OF the mutual covenants, promises, and conditions set forth herein below and pursuant to Article XXV of the 2001-2013 Memorandum of Understanding (MOU) between the Orange County Fire Authority Chief Officers Association (OCFACOA), and the Orange County Fire Authority (Authority) the parties agree as follows:

1. The Authority will deduct from the biweekly pay of all regular, limited term, part-time (at least 20 hours per week) and probationary employees, who have elected to enroll in this program, an amount equal to the sum of one percent (1%) of top of the salary range for Fire Battalion Chief plus twelve (12) dollars biweekly to be deposited into a Supplemental Retiree Medical Plan trust fund, administered by the Orange County Professional Firefighters Association - Local 3631 (OCPFA), which will serve as a supplement for the Authority’s Retiree Medical Benefit Program. The program will be identified as the OCFACOA Supplemental Retiree Medical Plan and will be separate and apart from the current OCFA Retiree Medical Program(s) and will be for the sole purpose set forth in Paragraphs 2 and 3.

2. Beginning April 2, 2004 (Pay Period 9), the OCPFA will administer a Supplemental Retiree Medical Plan benefit for (a) all enrolled members of the Fire Management Bargaining Unit and (b) all enrolled members leaving the bargaining unit who remain employed elsewhere by the Authority and who sign deduction authorization cards permitting an amount equal to the sum of one percent (1%) of the top of the salary range for Fire Battalion Chief plus twelve (12) dollars biweekly to be used for that purpose. “Enrolled members” means employees in those positions set forth in Appendix A of the Fire Management Unit MOU and any position subsequently added to the unit by action of the Authority Board of Directors, who sign deduction authorization cards pursuant to this agreement.

3. The Supplemental Retiree Medical Plan shall be used to provide cash payments to eligible employees who retire from the Authority on or after April 2, 2004 to be used solely for the purpose of reducing the retiree’s cost of OCFA provided health insurance.

4. All costs of providing and administering this Plan shall be the sole responsibility of OCPFA and OCFACOA. Except for the obligation to transmit funds to the Supplemental Retiree Medical Plan Trust, the Authority shall not be responsible for any cost of providing or administering said Plan.

5. OCPFA shall provide the Authority with a copy of an annual audit of administering the Supplemental Retiree Medical Plan. The annual audit report shall include actual cost of the Supplemental Retiree Medical Plan, expenditures and details of how all funds are administered. All books and records related to the administration and provision of such Plan shall be available to audit and/or inspection by the Authority or its agents upon request and a 30-day notice.

6. OCPFA represents that it is or has created an Internal Revenue Code Section 501(c)(5) and/or (9) entity and that it has created a Voluntary Employees Beneficiary Association (VEBA) within the meaning of the Internal Revenue Code such that the one percent (1%) herein may be treated as nontaxable compensation. In entering this Agreement, the Authority is relying on said representation and on OCFACOA’s and OCPFA’s compliance with all laws and regulations relating to the provision of the benefits provided herein on a pre-tax basis.

7. OCPFA and OCFACOA shall defend, indemnify and hold the Authority, its Directors, Officers, Agents and employees harmless from any claims, costs or legal action arising out of, or in any way related to the Supplemental Retiree Medical Plan administered and/or provided pursuant to this Agreement. The Authority shall have the right to select counsel for any defense hereunder. “Claims, costs or legal
action” shall include, but not be limited to fees, penalties and damages claimed by employees, retirees or government agencies.

The Orange County Fire Authority (hereinafter referred to as “OCFA”) and the Orange County Fire Authority Chief Officers Association (hereinafter referred to as “OCFACOA”) and together referred to as “parties” enter this Agreement to document the agreements reached by both parties during a meet and confer session held on June 17, 1999, to address a pending reorganization of the Authority’s structure and operations. This Agreement was effective July 1, 1999 and its components are as follows:

A. It is agreed that the current staff Fire Battalion Chief position assigned to Fire Prevention shall be filled by either 1) a Fire Battalion Chief who possesses the knowledge, skills, and ability to perform the functions of the position and who meets the minimum qualifications set forth in a classification specification for the position; or 2) by a civilian (non-OCFACOA) employee who possesses the knowledge, skills, and ability to perform the functions of the position or who meets the minimum qualifications set forth in a classification specification for the position. When the position is filled by a Fire Battalion Chief, that position shall be represented by the OCFACOA. When the position is filled by a civilian employee, that position shall be considered a non-represented administrative management employee.

When filling a vacancy in the above position, first consideration shall be given to an existing Fire Battalion Chief, or a Fire Battalion Chief candidate who is on a current Fire Battalion Chief promotional eligible list, recognizing that final determination on filling the position in Inspection Services with a Fire Battalion Chief or civilian employee is a management right based upon the needs and position compatibility/suitability.

A classification specification shall be maintained for the position of Fire Marshal (Inspection Services) that shall specify the knowledge, skills, and abilities and minimum qualifications necessary to perform the functions of the position. When modifications are made to the classification specification, the OCFA shall provide the OCFACOA with opportunity for review and input prior to such modifications.

B. In addition to the identified position listed above, the parties agree that the following list of staff positions shall be filled/held by a Fire Battalion Chief:

   a. Corporate Communications
   b. Emergency Communications Center
   c. Emergency Medical Services
   d. Training and Safety
   e. Special Operations
   f. Investigations
   g. Emergency Planning and Coordination
   h. Community Volunteer Services Coordinator

C. This Agreement supersedes all previous agreements related to staff Fire Battalion Chief Assignments.

BETWEEN
ORANGE COUNTY FIRE AUTHORITY CHIEF OFFICERS ASSOCIATION
AND
ORANGE COUNTY FIRE AUTHORITY
TERM OR AGREEMENT: SEPTEMBER 28, 2006 THROUGH JUNE 30, 2020
DECEMBER 11, 2013

In consideration of the Orange County Fire Authority’s (“OCFA”) intent to, by contractual agreement, provide fire services for public agencies within Orange County who had previously provided fire services through their own Fire Department, the Orange County Fire Authority and the Orange County Fire Authority Chief Officers Association (“OCFACOA”) agree to the following provisions involving the transition of employees from other public fire service agencies within Orange County to employment with the OCFA:

1. Except as specifically modified in 2., 3., 4., and 5. below, seniority for transitioning public fire service agency employees shall be based on the date of transition from the public fire service agency to the OCFA.

2. Transitioning public fire service agency employees’ continuous employment with the public fire service agency from which they are transitioning shall be considered the same as continuous employment with the OCFA for the purpose of:
   A. Sick leave and vacation accruals, and
   B. Meeting minimum requirements for promotional opportunities.

3. Transitioning public fire service agency employees’ continuous employment with the public fire service agency from which they are transitioning shall be considered the same as continuous employment with the OCFA for the purpose of layoff seniority within the limitations described below:
   A. Credit for public fire service agency time for layoff seniority shall be limited to the number of safety (suppression) employees required for the service level agreed to by the contracting public fire service agency. Transitioning employees in excess of this number shall not receive credit for these purposes, except as specified in 3.B. below.
   B. When an employee, who has received seniority credit pursuant to 3.A above, leaves employment with the OCFA, the provisions of 3.A. above shall be applied to the transitioned employee who has the longest continuous service in the same public fire service agency, but who has not previously received credit for seniority under the provisions of 3.A. above.

4. To the extent not provided with their transition to employment with the OCFA, the parties agree to apply the provisions of 3.A and 3.B above to employees who previously transitioned to the OCFA from the cities of Stanton and Seal Beach.

5. To the extent not provided with their transition to employment with the OCFA, the parties also agree to apply the provisions of 3.A. and 3.B. above to employees who on or before July 1, 1980 transitioned to the OCFA from the California Department of Forestry.

6. Nothing in this Agreement shall be construed in a manner that would provide credit for service with a public fire service agency other that the OCFA for any purpose not specifically provided herein.
7. The parties agree that this Agreement resolves all issues regarding seniority for employees transitioning from the California Department of Forestry and cities of Stanton and Seal Beach and all issues regarding seniority for employees transitioning in the future from other public fire service agencies within Orange County pursuant to service contracts with the OCFA.

8. The parties agree that this Agreement shall not serve as a precedent for any grievance, dispute, lawsuit or appeal between the parties, excepting those issues specifically resolved by this Agreement.

9. Disputes regarding the application of the provisions of this Agreement shall not be subject to appeal through the Grievance Procedure set forth in Article IX of the Fire Management Unit Memorandum of Understanding.
