Summary
This agenda item is submitted for adoption of a resolution to implement a 401(a) deferred compensation program for Executive Management employees.

Prior Board/Committee Action
Human Resources Committee Recommendation: APPROVE
On November 15, 2001, the Board of Directors approved an amendment to the Personnel and Salary Resolution (P&SR) to include a deferred compensation benefit for Executive Management employees.

At its regular February 5, 2019, meeting, the Human Resources Committee reviewed and unanimously recommended approval of this item.

RECOMMENDED ACTION(S)
Adopt the proposed Resolution entitled A RESOLUTION OF THE ORANGE COUNTY FIRE AUTHORITY BOARD OF DIRECTORS ADOPTING A 401(a) GOVERNMENTAL DEFERRED COMPENSATION PLAN.

Impact to Cities/County
Not Applicable.

Fiscal Impact
Implementation of a 401(a) deferred compensation plan will not increase the employer contribution or costs.

Background
The Personnel and Salary Resolution (P&SR) defines the terms and conditions of employment for Executive Management employees, including a deferred compensation benefit. Employees in classifications designated as Executive Management receive a biweekly deferred compensation contribution from the Authority in an amount equal to four and five-tenths percent (4.5%) of the employee’s biweekly base salary. Currently, this contribution goes into the employee’s designated 457(b) account within the Authority’s Deferred Compensation Plan.
In order to provide Executive Management employees with an opportunity to defer more of their pre-tax earnings into their individual 457(b) deferred compensation plans, staff propose implementation of a 401(a) deferred compensation plan for the employer contribution in lieu of the current 457(b) plan. This type of plan requires a mandatory contribution by the employee and/or employer. Because of this requirement and the way the benefit is described in the P&SR, the proposed 401(a) plan will include the mandatory 4.5% employer contribution and no mandatory or voluntary employee contribution. As well, this plan will only be available to Executive Management employees.

The Board must adopt this resolution in order to implement this 401(a) plan for Executive Management employees.

The Sponsor, or other party designated under the Plan, shall have full responsibility for the selection of the Funding Vehicle(s) and the management, disposition, and investment of assets of the Account. NTC shall comply with Written Instructions concerning those assets, subject to restrictions, if any, imposed by the Funding Vehicle(s) and the operation of any securities markets. NTC shall not be required by the Sponsor or its designee to engage in any action, or make any investment which constitutes a prohibited transaction or is otherwise contrary to the provisions of applicable law, the Code, or the terms of the Plan, if any, or this Agreement.

NTC shall be responsible only for those functions which have been assigned to it under this Agreement and shall have no responsibility to perform any duty of the Sponsor, or other fiduciary, required by the Plan or applicable law. To the extent permitted by applicable law, NTC shall not be liable for any failure or delay in the performance of its obligations under this Agreement arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fires; floods; wars; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunction of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or government actions.

ARTICLE XI — RELIANCE ON COUNSEL AND INDEMNIFICATION

NTC may consult with, and act upon the advice of counsel (who may be counsel for the Sponsor), regarding its responsibilities under this Agreement. To the extent permitted under applicable law, the Sponsor shall indemnify and hold harmless NTC, its officers, employees, and agents from and against all liabilities, losses, expenses, and claims (including reasonable attorneys’ fees and costs of defense) arising as a result of:

Acts or omissions to act with respect to the Plan or Account by persons unrelated to NTC;
NTC’s action or inaction with respect to the Plan or Account resulting from reliance on the action or inaction of unrelated persons;

Any violation by any unrelated person of the provisions of the Code or applicable laws, unless NTC commits a breach of its duties by reason of its gross negligence or willful misconduct;

Any decision by the Sponsor, any Participant or any other fiduciary to acquire, retain, or dispose of any security or other property of the Account;

Any violation or breach by a fiduciary or other person associated with the Plan which occurred prior to the Effective Date; or

NTC’s acts, omissions and conduct, and those of its agents, in their official capacity, except to the extent that such documented loss or expense results from negligence directly and solely attributable to NTC or its agents, or from an intentional violation by them of any provision of this Agreement.

Such obligation to indemnify shall extend to any liability or expense that arises as a result of the inaccuracy of any representation made, any action taken or failure to act, or any violation of this Agreement, to the terms of the Plan by the Sponsor, its designee, any fiduciary of the Plan, and their agents, employees and officers under this Agreement or otherwise related to the administration of the Account. NTC shall not be required to give any bond or other security for the faithful performance of its duties under this Agreement except to the extent required by applicable law.

ARTICLE XII — NTC'S USE OF AFFILIATED COMPANIES

NTC may enter into agreements and share information with its affiliates in performing responsibilities under this Agreement and any other applicable agreement. Investments made in accordance with the Agreement, may include mutual funds or other investments advised by affiliates of NTC. The investment advisers of such investments may be affiliates of NTC and may derive investment management and other fees for services provided.

ARTICLE XIII — NTC'S COMPENSATION AND EXPENSES

NTC will receive additional reasonable compensation for any extraordinary services or computations required as agreed upon by the Sponsor and NTC in advance.

Nationwide shall be entitled to receive, as compensation for services provided hereunder, any credit, interest or other earnings on aggregate cash balances held on deposit with respect to funds awaiting investment or reinvestment or with respect to funds pending distribution to offset expenses of associated activities. NTC may withdraw amounts from the Account for its compensation, and for any expenses as described herein from the Account for its compensation.

ARTICLE XIV — TAXES

Until advised to the contrary by the Sponsor, NTC shall assume that the Account is exempt from federal, state, local and foreign income taxes. NTC shall not be responsible for filing any federal, state, local or foreign tax and informational returns relating to the Plan or Account.

NTC shall notify the Sponsor of any taxes levied upon or assessed against the Account. If NTC does not receive Written Instructions within thirty (30) days of such notification, NTC will pay the tax from the Account. If the Sponsor wishes to contest the tax assessment, it must give appropriate Written Instructions to NTC within thirty (30) days of notification. NTC shall not be required to bring any legal actions or proceedings to contest the validity of any tax assessments unless NTC is to be indemnified to its satisfaction against loss or expense related to such actions or proceedings, including reasonable attorneys' fees.

NRS (07/2007) -6 of 10-
ARTICLE XV — AMENDMENT

Notwithstanding any other provision of the Agreement, NTC may amend the Agreement at any time by providing written notice to the Sponsor not less than thirty (30) days prior to the effective date of such change, or at any time in the event NTC determines that such amendment is necessary to comply with any applicable legal or regulatory requirements.

No person except for an authorized officer has the legal capacity to change this Agreement otherwise, or to bind NTC to other commitments not covered within this Agreement.

ARTICLE XVI — RESIGNATION, REMOVAL AND TERMINATION

NTC may resign at any time after providing at least thirty (30) days notice via Written Instructions to the Sponsor. The Sponsor may remove NTC by delivery of Written Instructions, to take effect at a date specified therein, which shall not be less than thirty (30) days after the delivery of such Written Instructions with Original Signature to NTC, unless Funding Vehicle provisions specify otherwise. Notwithstanding the foregoing, NTC may retain responsibilities per the terms of this Agreement over assets remaining at NTC beyond the thirty (30) day timeframe, concurrent with Funding Vehicle provisions.

The Agreement will be terminated at such time as the Account is terminated, the Funding Vehicle(s) are redeemed in full, upon the resignation or removal of NTC as trustee, as applicable, of the Account, or upon the termination by Sponsor of any separate agreement with NTC or Nationwide Retirement Solutions, Inc. that relates to the services provided by NTC under this Agreement. The discontinuance of contributions to the Account shall not, by itself, terminate the Account.

NTC is authorized to reserve such sum of money as it may deem advisable for payment of its fees and expenses in connection with the settlement of the Account, and any balance of such reserve remaining after the payment of such fees and expenses shall be paid to the Successor by NTC.

ARTICLE XVII — SUCCESSOR

Upon resignation or removal of NTC, the Sponsor shall appoint a Successor and the Sponsor shall notify NTC of such appointment by Written Instructions with Signature. NTC shall transfer the assets of the Account, subject to any applicable fees as described in the Agreement to such Successor.

If either party has given notice of termination and upon the expiration of the advance notice period no party has accepted an appointment as Successor, NTC will have the right to commence an action in the nature of an interpleader (or other appropriate action) and seek to deposit the assets of the Account in a court of competent jurisdiction in Franklin County, Ohio, for administration until a Successor may be appointed and accepts the transfer of the assets. The Sponsor will be responsible for any costs incurred as a result of such action and/or transfer, as well as any expenses of NTC which are incurred in carrying out its duties under this Agreement in such a situation.

ARTICLE XVIII — GOVERNING LAW

The Account will be administered in the State of Ohio, and its validity, construction, and all rights hereunder shall be governed by the Home Owners' Loan Act of 1933 and, to the extent not pre-empted, by the laws of Ohio. All contributions to the Account shall be deemed to occur in Ohio.
ARTICLE XIX — IDENTITY VERIFICATION NOTICE

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies certain persons or entities that open an account. When an account is opened, NTC may ask for the name, address and other information that will allow NTC to identify the entity or person that sponsors the Plan. NTC may also ask for a copy of identifying documents, such as a driver’s license, government-issued business license, or other documents.

ARTICLE XX — RULES OF CONSTRUCTION

The Agreement, together with all attached schedules and any applicable investment contracts shall constitute the entire Agreement. The Plan and this Agreement shall be read and construed together. By signing this Agreement, the Sponsor represents to NTC that the Plan conforms to and is consistent with the provisions of this Agreement. Should the Plan need to be amended to conform to the provisions of this Agreement, the Sponsor is responsible for such amendments. The terms of this Agreement shall prevail over terms of the Plan in cases of conflict.

ARTICLE XXI — WAIVER

Failure of either party to insist upon strict compliance with any of the conditions of the Agreement shall not be construed as a waiver of any of such conditions, but the same shall remain in full force and effect. No waiver of any provision of the Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver.

ARTICLE XXII — REFERENCES

Unless the context clearly indicates to the contrary, a reference to a statute, regulation, document, or provision shall be construed as referring to any subsequently enacted, adopted, or re-designated statute or regulation or executed counterpart.

ARTICLE XXIII — SEVERABILITY

If any provision of the Agreement shall be held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the remaining provisions shall continue to be effective.

ARTICLE XXIV — MUTUAL FUND DISCLOSURE

The Sponsor acknowledges that Nationwide and its affiliates receive payments in connection with the sale and servicing of investments allocated to participant Plan accounts (“Investment Option Payments”). The Investment Option Payments include mutual fund service fee payments, which are described in detail at www.nrsforum.com, and other payments received from investment option providers.

Summary
This agenda item is submitted for approval to amend Part 3, Article 1, Section 8 (Authority Issued Vehicles and Cash in Lieu Allowance Policy) and Appendix B (Administrative Management Classifications) of the Personnel and Salary Resolution (P&SR) for Executive Management employees.

Prior Board/Committee Action
Human Resources Committee Recommendation: APPROVE
At its regular February 5, 2019, meeting, the Human Resources Committee reviewed and unanimously recommended approval of this item.

RECOMMENDED ACTION(S)
Adopt the proposed amendment to Part 3, Article 1, Section 8 (Authority Issued Vehicles and Cash in Lieu Allowance Policy) and Appendix B (Administrative Management Classifications) of the Personnel and Salary Resolution for Executive Management employees.

Impact to Cities/County
Not Applicable.

Fiscal Impact
The existing approved budget includes amounts for vehicle allowances for the two Director level positions. Amending the P&SR to provide an Authority-issued vehicle option will increase expenditures by approximately $37,500 in the first year and an amount equal to or representative of the growth factor annually thereafter for each Director electing that option. Vehicles will be incorporated into the Capital Improvement Program and replaced approximately every seven years, or as needed.

Background
The Personnel and Salary Resolution (P&SR) defines the terms and conditions of employment for Executive Management employees, including the “Authority Issued Vehicles and Cash in Lieu Allowance Policy.” Currently, the P&SR authorizes the Fire Chief to determine if an Executive Management employee requires the use of either an Authority-issued vehicle, emergency/Code 3 response vehicle or a non-emergency vehicle, based on duties performed. However, per the P&SR, two Executive Management classifications (Director of Communications and Human Resources...
Director) are not eligible to receive an Authority-issued vehicle, but instead receive a monthly cash allowance in the amount of five hundred dollars for the use of their personal vehicle for Authority business.

The Fire Chief has determined that the amount of Authority-related travel expected of the two Director classifications is on par with that of the other Executive Management classifications, and therefore, desires to expand the option of an Authority-issued vehicle to the two Director classifications.

In January 2019, staff conducted a survey to determine how other Orange County public agencies administer this type of benefit for their Executive Managers. The survey queried which agencies offer an agency-issued vehicle and/or a monthly cash allowance (including the amount), as well as which Executive Management classifications were eligible for the benefit. Of the eighteen responding agencies, sixteen provide a monthly cash allowance or an agency-issued vehicle to Executive Managers. Cash allowances range from $225 to $868 per month, depending on the classification. Finally, Director-level positions at four public agencies are eligible to receive an auto allowance or an agency-issued vehicle. The results of the survey are attached.

The proposed amendment also includes an update to the “Administrative Management Classifications” identified in Appendix B of the P&SR to align with the classifications represented by the Orange County Fire Authority Management Association.

Board approval is required for these amendments to the Personnel and Salary Resolution.

AND

SALARY RESOLUTION

ORANGE COUNTY FIRE AUTHORITY

Revised by the Board of Directors
August 23, 2018 February 28, 2019
(Amendments to Part 3 Only)

A. Except as otherwise provided in this Article or by State law or action of the Board and except where the natural construction of a provision indicates otherwise, the wages, hours, and terms and conditions of employment for Executive Management employees shall be the same as adopted for employees in the Administrative Management Unit. However, any provision requiring Fire Chief approval for Administrative Management employees that could also benefit the Fire Chief shall be forwarded to the Board for approval.

SESSION 2. At-Will Appointments

A. Notwithstanding any other provision of this Personnel and Salary Resolution, employees appointed to Executive Management positions, exclusive of the Fire Chief, shall serve at the pleasure of the Fire Chief. Prior to such an appointment, the Human Resources Director shall obtain written acknowledgment from the prospective appointee acknowledging his/her understanding of such At-Will status.

B. Such employees may be removed from their position at any time without notice, cause, or rights of appeal. In the event such employees are removed from their positions, the Authority shall provide, at the discretion of the Fire Chief, either severance pay OR reassignment as described below:

1. Severance Pay - In the event such employee is removed from his/her position prior to the third year anniversary of his/her appointment without being reassigned, the Authority shall pay a sum equal to three (3) months of the base annual salary that is in effect as of the date of the termination. In the event such employee is removed from his/her position after the third year anniversary without being reassigned, severance pay shall be increased by one (1) month for each additional year or portion thereof, up to a maximum of six (6) months in total.

2. Reassignment - In the event such employee is removed from his/her position without severance pay, the Authority shall reassign said employee to a non-Executive Management position in a lower class, in which he/she passed probation immediately prior to becoming an At-Will employee, or an equivalent position. In such event, employee shall be placed at the middle of the applicable salary range. Said reassignment shall not result in layoff of any other employee. Employees appointed to such Executive Management positions from outside the Authority shall have no rights to a lower level position.
C. Notwithstanding the provisions of this Section, the Authority shall have the right to dismiss for reasonable cause any Executive Management employee, and may do so without compliance with Sections 2.B.1 or 2.B.2 of this Article. In such an event, the provisions of Part 2, Articles VIII, DISCIPLINARY AND PREDISCIPLINARY ACTIONS, and IX, GRIEVANCE PROCEDURE, shall be fully applicable.

D. Reasonable Cause

For purposes of this Section, the term, "reasonable cause" shall include, but not be limited to, the following: (1) dishonesty, (2) insubordination, (3) incompetence, (4) neglect of duty, (5) excessive or unexcused absences, (6) possession, use, or sale of alcohol or illegal narcotics while on Authority duty or premises, (7) misuse or misappropriation of Authority property or funds, (8) conflict of interest, (9) improper political activity, (10) intentionally misrepresenting information or facts in any statement, declaration of affidavit made by an employee, (11) any conduct, act, or omission either during or outside duty hours that is of such a nature that it causes discredit to the Authority or the firefighting profession, or that conduct, act, or omission has a disruptive effect on the efficiency or integrity of the public service, (12) any violation of the Authority's General Orders or Standard Operating Procedures.

Section 3. Life Insurance

A. Executive Management employees shall receive life and accidental death and dismemberment insurance, at no cost to the employee, in an amount equal to their base annual salaries, adjusted to the closest ten thousand (10,000) dollars regardless of age with the option to purchase additional coverage, including dependent coverage.

Section 4. Optional Benefit Plan (OBP)

A. All provisions that apply to Administrative Management shall also apply to Executive Management, except that the amount of the Optional Benefit Plan shall be three thousand five hundred (3500) dollars for Executive Management employees for each calendar year.

Section 5. CalPERS Health Care

A. The Authority shall continue to maintain its contract with the California Public Employees Retirement System (CalPERS) for employees' health care coverage.

B. Except as provided in Sections 5.C.1 and 5.C.2 of this Article, the Authority shall contribute toward the payment of health care premiums under the CalPERS Health Benefits Plan on behalf of each eligible active employee and each eligible retiree, an equal contribution as set forth in California Government Code Section 22892.

C. The Authority shall continue to maintain its Section 125 Cafeteria Plan for active eligible employees and pay the following amounts for employees' health care coverage and other benefits:

1. Except as modified in Section 5.D. of this Article, each full-time (regular, limited-
term, or probationary) employee shall receive the dollar value of one hundred percent (100%) of the employee’s health plan premium or seventy-five percent (75%) of the total health plan premium selected by the employee, whichever is greater. That amount shall include the contribution towards the employee’s Cafeteria Plan as set forth in California Government Code Section 22892. The employee may elect to contribute the entire value to his/her health care premium or allocate a portion of the value to other benefits offered under the Cafeteria Plan. If the employee elects to allocate part of the value to other benefits, any unpaid balance of the employee’s health care premium shall be deducted from the employee’s paycheck.

2. Except as modified in Section 5.D. of this Article, each part-time (regular, limited-term, or probationary) employee shall receive the dollar value of fifty percent (50%) of the employee’s health plan premium or thirty-seven and five-tenths percent (37.5%) of the total health plan premium selected by the employee, whichever is greater, and that amount shall include the contribution towards the employee’s Cafeteria Plan as set forth in California Government Code Section 22892, provided the employee’s normal workweek consists of at least twenty (20) hours. Health care coverage and other benefits provided as part of the Cafeteria Plan shall be terminated for any employee whose normal workweek is reduced to less than twenty (20) hours. The employee may elect to contribute the entire value to his/her health care premium or allocate a portion of the value to other benefits offered under the Cafeteria Plan. If the employee elects to allocate part of the value to other benefits, any unpaid balance of the employee’s health care premium shall be deducted from the employee’s paycheck.

D. For employees who are on approved Family Leave, the Authority shall continue to pay health insurance premiums as provided in Sections 5.C.1 and 5.C.2 of this Article to the extent required by applicable law.

E. Upon showing sufficient proof of alternate health care coverage, such as a certificate of coverage, a full-time or part-time (regular, limited-term or probationary) employee shall be entitled to a fifty-five (55) dollar biweekly credit to his/her Cafeteria Plan, in lieu of the amount provided in Sections 5.C.1 and 5.C.2 of this Article. This credit may be applied towards benefits offered under the Cafeteria Plan, including accidental death and dismemberment insurance or miscellaneous pay.

F. For 2016, the Director of Communications and the Human Resources Director shall receive a monthly cash allotment in the amount of one thousand six hundred fifty three dollars and fifty four cents ($1,653.54) to be applied toward health care coverage and other benefits. The amount shall be adjusted annually each January in the amount equal to the average percentage increase of CalPERS Health Plans for that year. The average percentage increase shall be computed by averaging the increase in CalPERS Health Plans in which the employees are eligible to participate, with the exclusion of the Plan with the highest premium. In addition to purchasing health care coverage, the Director of Communications and the Human Resources Director, at his/her option, may receive any or all remaining funds in cash or defer such funds to an Authority offered Deferred Compensation Plan.

Section 6. Range Adjustment

A. The bottom of the salary range for Assistant Chief shall be established at five and five-tenths percent (5.5%) above the maximum attainable Fire Division Chief salary.
The top for this range shall be established at seven and five-tenths percent (7.5%) above the bottom. Maximum attainable salary is defined as the sum of the top of the salary range for Fire Division Chief plus any additional non-base salary building compensation provided to the majority of employees in this classification.

B. The top of the salary range for Human Resources Director and Director of Communications shall be established at seven and five-tenths percent (7.5%) above the maximum attainable salary within the OCFAMA classifications.

C. The bottom of the salary range for Deputy Fire Chief shall be established at the top of the Assistant Chief salary range. The top for this range shall be established at seven and five-tenths (7.5) percent above the bottom.

D. Movement within the salary ranges shall be based on job performance and shall be approved by the Fire Chief.

Section 7. Deferred Compensation

A. An employee in the classifications designated as Executive Management shall receive a biweekly deferred compensation contribution from the Authority in the amount equal to four and five-tenths percent (4.5%) of the employee’s biweekly base salary. Such contribution shall go into the employee’s designated account within the Authority’s Deferred Compensation Plan.

Section 8. Authority Issued Vehicles and Cash in Lieu Allowance Policy

A. Intent of Policy

This policy has been developed to provide a consistent application of the Vehicle Allowance benefit that covers the issuance of an Authority vehicle or a cash allowance in lieu of an Authority issued vehicle.

B. Authority Issued Vehicle

1. Emergency/Code 3 Response Vehicles

Based on the duties performed by each member of the Executive Management group, the Fire Chief shall determine if an employee shall be required to maintain a twenty-four (24) hour emergency/Code 3 response vehicle. This determination shall be based on the specific requirement of the job and shall take all of the following conditions into consideration:

- The duties of the position require a twenty-four (24) hour seven (7) days a week emergency/Code 3 response status.
- The duties require that the vehicle be equipped with emergency/Code 3 response and communications equipment, i.e., emergency lights, siren, emergency radio, etc.
- The duties dictate the use of the vehicle in a manner that insurance coverage is not available on an individual basis, i.e., emergency response and wildland traversing.

Upon determination by the Fire Chief that the Executive Management
member’s duties require an Authority issued emergency/Code 3 equipped response vehicle, the Fire Chief shall assign such vehicle to the employee. The Fire Chief, at his/her discretion, may at any time determine that there is no need for such vehicle and revoke the use of the vehicle.

Emergency/Code 3 response vehicles shall be provided at the discretion of the Fire Chief and be in accordance with the following conditions:

- Those employees who shall be provided emergency/Code 3 response vehicles may use the vehicles for personal use, but shall be available on a twenty-four (24) hour, seven (7) days a week emergency/Code 3 response status.
- The vehicles shall all conform to an established accessory standard.
- The vehicles shall be equipped with emergency/Code 3 equipment and shall be absent of visible organizational markings.
- The operation of the vehicles is limited to the employee and spouse when the employee is present in the vehicle.
- Authority provided vehicles shall not be taken out of the state without the approval of the Fire Chief.
- Authority provided fuel for Authority issued vehicles shall be for business use only.

2. Non-emergency/Code 3 Response Vehicles

Should an Executive Management employee opt to receive an Authority issued vehicle, the issuance of the vehicle shall be in accordance with the following conditions:

- Those employees provided vehicles may use the vehicles for personal use.
- The vehicles shall all conform to an established accessory standard.
- The vehicles shall be absent of visible organizational markings.
- The operation of the vehicles is limited to the employee and spouse when the employee is present in the vehicle.
- Authority provided vehicles shall not be taken out of the state without the approval of the Fire Chief.
- Authority provided fuel for Authority issued vehicles shall be for business use only.

3. Record Keeping
It is understood that if an employee is issued an Authority vehicle, the vehicle shall be used for business and personal use. In determining the cash value of the personal use of the vehicle, the method of “Annual Lease Value” shall be applied. Upon receipt of the appropriate information from the employee, the Finance Manager shall calculate the appropriate cash value for the vehicle’s personal use. The cash value shall be identified on the individual’s W-2 in Box 1 as taxable income. The cash value shall cover the cost of the vehicle and its maintenance and insurance.

C. Vehicle Cash Allowance

Those Executive Management employees who are not determined by the Fire Chief to be required to maintain a twenty-four (24) hour a day seven (7) days a week emergency/Code 3 response vehicle shall have the option of an Authority provided vehicle or shall receive a monthly cash allowance in the amount of five hundred (500) dollars for the use of their personal vehicle for Authority business. Such allowance shall be identified on their W-2 in Box 1, as taxable income. The Human Resources Director and Director of Communications are only eligible to receive the monthly cash allowance.

Employees who use their personal vehicle for business purposes shall comply with the following requirements:

- They shall maintain and provide proof of adequate levels of personal vehicle insurance coverage.
- They shall purchase their own fuel for the vehicle.
- They shall ensure that the vehicle is properly maintained.

Section 9. Retirement Formula – 3% at 50 (Safety Employees Hired before July 1, 2011)

A. The Authority shall continue the 3% at 50 retirement formula for active Safety Member employees hired before July 1, 2011 for all years of service as specified under California Government Code Section 31664.1.

B. Employees in Executive Management shall pay their maximum employee contribution (based on age of entry into OCERS).

C. The employee deduction shall continue during the employee’s employment period with the Authority or until such time that the employee qualifies under Government Code Section 31664.1(c). At any time, if there are increases to the maximum employee contribution to OCERS, employees will pay those employee contributions.

Section 10. Retirement Formula – 3% at 55 (Safety Employees Hired From July 1, 2011 Through December 31, 2012 or Employees Hired On or After January 1, 2013 With Reciprocal Retirement Benefits)

A. Approval of Limited-Term Positions to Increase Vehicle Outfitting Capacity

Logistics Department

Joel Brodowski, Information Technology Manager  joelbrodowski@ocfa.org  714.573.6421

**Summary**

This agenda item is submitted for approval to add limited-term positions in the Fire Apparatus Parts Specialist and Fire Delivery Driver classifications to increase the OCFA’s capacity to outfit vehicles.

**Prior Board/Committee Action**

Budget and Finance Committee Recommendation: APPROVE

At its regular February 13, 2019, meeting, the Budget and Finance Committee reviewed and unanimously recommended approval of this item.

**RECOMMENDED ACTIONS:**

1. Authorize additions to the Master Position Control:
   - Additional Limited-term Fire Apparatus Parts Specialist: Five full-time; Four part-time
   - Additional Limited-term Fire Delivery Driver positions: Two full-time; One part-time
2. Approve a budget adjustment increasing expenditures in the FY 2018/19 General Fund (121) budget by $277,400 to fund the proposed positions for the remainder of this fiscal year.
3. Direct staff to provide annual reports to the Budget and Finance Committee regarding the status of vehicle outfitting capacity and associated staffing needs.

**Impact to Cities/County**

Not Applicable.

**Fiscal Impact**

Approval of staff recommendations will increase expenditures in the FY 2018/19 General Fund, Information Technology Division, Communications, and Workplace Support, in the amount of $277,400. If continued beyond FY 2018/19, the annual cost of the positions will be $832,400.

**Background**

Over the next five fiscal years (FY 2019/20 – 2023/24), the OCFA is projecting to purchase 117 new/replacement vehicles. This period represents a significantly higher than average volume in OCFA’s heavy duty (engines, trucks, and specialty vehicles) vehicle replacement cycle. Currently, five new/replacement vehicles are being outfitted with all necessary communications and specialty equipment. An additional 13 vehicles are on-site awaiting outfitting, and 48 vehicles are expected to be delivered over the next 12 to 18 months.
To address this condition and prevent an increase in the backlog for outfitting vehicles, staff is recommending temporarily increasing the OCFA’s capacity to outfit vehicles from 25 to up to 45 annually. Annual reassessments of outfitting capacity needs will be completed over the five-year period of high-volume vehicle replacements.

**Proposed Plan**

Surge capacity staffing in the lower levels of Fire Apparatus Parts Specialist and Fire Delivery Driver classifications can be used to augment existing staff with higher-level technical skills in the Communications, Service Center, and Fleet sections tasked with outfitting vehicles. The addition of limited-term positions (instead of permanent-regular positions) is recommended to enable a return to normal staffing levels, when needed, upon reevaluation of the OCFA’s vehicle outfitting capacity requirements. The proposed limited-term positions would be primarily responsible for preinstallation duties, including assembly and delivery of supplies and communications equipment specific to each new vehicle.

The recommended plan calls for the addition of five full-time and four part-time, limited-term positions in the Fire Apparatus Parts Specialist classification for the Communications and Fleet sections, and two full-time and one part-time, limited-term positions in the Fire Delivery Driver classification for the Service Center and Fleet sections.

To further address the OCFA’s vehicle outfitting capacity needs, the specifications for new vehicle bids are being updated to include communications equipment installation services when available by the manufacturer or qualified third-party vendors prior to OCFA accepting delivery of the new vehicles. In addition, a request for proposals for communications equipment installation services for all OCFA vehicle types will be published in March 2019, providing increased access to contract professional services from multiple qualified third-party communications equipment installation service vendors.

**Conclusion**

Implementation of staff’s recommendation to add limited-term positions tasked with vehicle outfitting, as well as increased access to contract vehicle outfitting services will resolve the current backlog for vehicle outfitting by July 2020 and address outfitting needs during the high-volume vehicle replacement period through FY 2023/24.

Summary
This agenda item is submitted for approval to reject all bids submitted for the purchase and installation of two new modular classrooms and authorize purchasing staff to re-bid the project.

Prior Board/Committee Action
Not Applicable.

RECOMMENDED ACTIONS:
Reject all bids submitted in response to Invitation for Bid RO2348 for the purchase and installation of two new modular classrooms.

Impact to Cities/County
Not Applicable.

Fiscal Impact
Funding for this contract is available in the existing FY 2018/19 Logistics Department.

Background
The Property Management Department is responsible for the upgrade, maintenance, and repair of OCFA’s 22-acre headquarters, 72 fire stations, USAR Warehouse and Air Operations Hangar. Due to increased training and recruitment activities, existing facilities are inadequate to keep up with the increased need for appropriate classroom training locations. Temporary classrooms are needed in order to accommodate the increased need for classroom space.

Invitation for Bids (IFB) Process
On January 30, 2019, IFB RO2348 was issued and sent to 270 vendors to solicit competitive bids for the purchase and installation of two modular classrooms. A mandatory job-walk was held on February 6, 2019, with seven contractors attending.

On February 14, 2019, the bid due date, two bids were received from the following contractors:

1) Optima RPM, Inc. $313,825
2) SS+K Construction, Inc. $356,000
During initial review, it was noted that each contractor could only complete the project by OCFA’s required date of Friday, April 12, 2019 if contracts were awarded by February 18, 2019 or earlier. (February 15 for Optima RPM, Inc.; February 18 for SS+K Construction, Inc). Due to this contract requiring OCFA Board of Directors approval prior to award, neither contractor would be able to meet the required completion date.

**Recommendation**

Staff is recommending approval to reject all bids due to the vendors being unable to perform, based upon the deadlines they provided that do not meet the RFP’s required delivery date.

Each bidder shall examine the site for the work described herein. Bidders shall attend a mandatory pre-bid inspection of the building(s) and site(s), conducted by the OCFA, unless otherwise specified. Failure to attend the mandatory pre-bid inspection shall be cause for rejection of the bid.

A. If you are an applicant for, or the subject of, any contract award, you are prohibited from making a campaign contribution of more than $250 to any board member or his or her alternate. This prohibition begins on the date the solicitation is initiated, and the prohibition ends three months after a final decision is rendered by the Board of Directors. In addition, no board member or alternate may solicit or accept a campaign contribution of more than $250 from you during this period.

B. These prohibitions also apply to your agents and, if you are a closely held corporation, to your majority shareholder as well. These prohibitions also apply to your subcontractor(s), joint venturer(s), and partner(s) in this proceeding. Also included are parent companies and subsidiary companies directed and controlled by you, and political action committees directed and controlled by you.

However, disqualification is not required if the board member or alternate returns the campaign contribution within 30 days from the time the director knows, or should have known, about both the contribution and the fact that you are a party in the proceeding. The Party Disclosure Form should be completed and filed with your proposal, or with the first written document you file or submit after the proceeding commences.

a corporation organized and existing under and by virtue of the laws of the State of Iowa and authorized to do business as a surety in the State of California, are held and bound unto the Orange County Fire Authority ("Authority") of Orange County, State of California as Obligee, in the sum of

Ten percent of bid amount Dollars ($ 10.0% of bid)

lawful money of the United States of America, for the payment of which sum well and truly to be made, we, and each of us, bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH that whereas the Principal has submitted a bid to the Authority for all work specifically described in the accompanying bid;

NOW, THEREFORE, if the Principal is awarded the Project and, within the time and manner required under the Bid Documents, after the prescribed forms are presented to Principal for signature, enters into a written contract ("Agreement"), in the prescribed form in accordance with the bid, and files two bonds, one guaranteeing faithful performance and the other guaranteeing payment for labor and materials as required by law, and meets all other conditions to the contract between the Principal and the Obligee becoming effective, or if the Principal shall fully reimburse and save harmless the Obligee from any damage sustained by the Obligee through failure of the Principal to enter into the Agreement and to file the required performance and labor and material bonds, and to meet all other conditions to the Agreement between the Principal and the Obligee becoming effective, then this obligation shall be null and void; otherwise, it shall be and remain in full force and effect. The full payment of the sum stated above shall be due immediately if Principal fails to execute the Agreement within seven (7) days of the date of the Authority’s Notice of Award to Principal.

Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the Agreement or the call for bids, or to the work to be performed thereunder, or the specifications accompanying the same, shall in any way affect its obligation under this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Agreement or the call for bids, or to the work, or to the specifications.

In the event suit is brought upon this bond by the Obligee and judgment is recovered, the Surety shall pay all costs incurred by the Obligee in such suit, including a reasonable attorneys’ fee to be fixed by the Court.

12. CERTIFICATION OF SITE EXAMINATION

Each bidder shall be fully informed of the conditions relating to the construction of the work and the employment of labor thereon. Failure to do so will not relieve Contractor or subcontractor of the obligation to furnish all material and labor necessary to carry out the provisions of the contract documents.

Each bidder shall examine the site for the work described herein. Bidders shall attend a mandatory pre-bid inspection of the building(s) and site(s), conducted by the OCFA, unless otherwise specified. Failure to attend the mandatory pre-bid inspection shall be cause for rejection of the bid.

The specifications for the work show conditions as they are believed to exist. The conditions shown do not constitute a representation or warranty express or implied by the OCFA, its officers or agents that such conditions actually exist.

Each bidder also certifies it has observed the designated Contractor work areas, material equipment storage areas, access routes, as well as the ability to protect existing surface and subsurface improvements. No claim for allowance of time or money will be allowed for such matters.

This is to certify that I have examined the site and the bid is complete and there will be no additional payment for failure to examine the site thoroughly.

IMPORTANT NOTICE:

Basic Provisions of Government Code Section 84308

A. If you are an applicant for, or the subject of, any contract award, you are prohibited from making a campaign contribution of more than $250 to any board member or his or her alternate. This prohibition begins on the date the solicitation is initiated, and the prohibition ends three months after a final decision is rendered by the Board of Directors. In addition, no board member or alternate may solicit or accept a campaign contribution of more than $250 from you during this period.

B. These prohibitions also apply to your agents and, if you are a closely held corporation, to your majority shareholder as well. These prohibitions also apply to your subcontractor(s), joint venturer(s), and partner(s) in this proceeding. Also included are parent companies and subsidiary companies directed and controlled by you, and political action committees directed and controlled by you.

C. You must file the attached disclosure form and disclose whether you or your agent(s) have in the aggregate contributed more than $250 to any board member or his or her alternate during the 12-month period preceding the contract award.

D. If you or your agent have in the aggregate contributed more than $250 to any individual board member or his/her alternate during the 12 months preceding the decision on the contract award or proceeding, that board member or alternate must disqualify himself or herself from the decision. However, disqualification is not required if the board member or alternate returns the campaign contribution within 30 days from the time the director knows, or should have known, about both the contribution and the fact that you are a party in the proceeding. The Party Disclosure Form should be completed and filed with your proposal, or with the first written document you file or submit after the proceeding commences.

A proceeding involving "a license, permit, or other entitlement for use" includes all business, professional, trade and land use licenses and permits, and all other entitlements for use, including all entitlements for land use, all contracts (other than competitively bid, labor or personal employment contracts), and all franchises.

E. Your "agent" is someone who represents you in connection with a proceeding involving a license, permit or other entitlement for use. If an individual acting as an agent is also acting in his or her capacity as an employee or member of a law, architectural, engineering, consulting firm, or similar business entity, both the business entity and the individual are "agents."
F. To determine whether a campaign contribution of more than $250 has been made by you, campaign contributions made by you within the preceding 12 months must be aggregated with those made by your agent within the preceding 12 months or the period of the agency, whichever is shorter. Contributions made by your majority shareholder (if a closely held corporation), your subcontractor(s), your joint venturer(s), and your partner(s) in this proceeding must also be included as part of the aggregation. Campaign contributions made to different directors or their alternates are not aggregated.

G. A list of the members and alternates of the Board of Directors is attached.

and bound unto the Orange County Fire Authority ("Authority") of Orange County, State of
California as Obligee, in the sum of

Ten Percent of Total Amount Bid $10% of Total Amount Bid

lawful money of the United States of America, for the payment of which sum well and truly to
be made, we, and each of us, bind ourselves, our heirs, executors, administrators, successors,
and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH that whereas the Principal has submitted
a bid to the Authority for all work specifically described in the accompanying bid;

NOW, THEREFORE, if the Principal is awarded the Project and, within the time and manner
required under the Bid Documents, after the prescribed forms are presented to Principal for
signature, enters into a written contract ("Agreement"), in the prescribed form in accordance

guaranteeing payment for labor and materials as required by law, and meets all other
conditions to the contract between the Principal and the Obligee becoming effective, or if the
Principal shall fully reimburse and save harmless the Obligee from any damage sustained by
the Obligee through failure of the Principal to enter into the Agreement and to file the required
performance and labor and material bonds, and to meet all other conditions to the Agreement
between the Principal and the Obligee becoming effective, then this obligation shall be null and
void; otherwise, it shall be and remain in full force and effect. The full payment of the sum stated
above shall be due immediately if Principal fails to execute the Agreement within seven (7)
days of the date of the Authority's Notice of Award to Principal.

Surety, for value received, hereby stipulates and agrees that no change, extension of time,
alteration or addition to the terms of the Agreement or the call for bids, or to the work to be
performed thereunder, or the specifications accompanying the same, shall in any way affect its
obligation under this bond, and it does hereby waive notice of any such change, extension of
time, alteration or addition to the terms of the Agreement or the call for bids, or to the work, or
to the specifications.

In the event suit is brought upon this bond by the Obligee and judgment is recovered, the Surety
shall pay all costs incurred by the Obligee in such suit, including a reasonable attorneys' fee to
be fixed by the Court.
